In the event that the Court does not have the necessary number of Judges to hear a case on appeal, or in other appropriate circumstances, the Court Administrator of the Kalispel Tribal Court may request that a

A complaint regarding a violation of the Judicial Code of Ethics must be in writing and must be signed by the complainant. Disciplinary action shall follow the provisions outlined in the Judicial Code of Ethics.

1-4.10 RECUSAL OF JUDGE FROM PROCEEDING

(1) Recusal

A Judge shall recuse or disqualify himself or herself from a proceeding when a Judge does not independently believe he or she can be impartial, and to remain on the case would be inconsistent with the Judicial Code of Ethics.

A Judge shall also disqualify himself or herself when his or her impartiality may be questioned, including instances where:

- (A) The Judge has a personal bias or prejudice concerning a party or a party's spokesperson, or personal knowledge of the facts in the matter before the Court;

The parties must be given an opportunity to confer on this issue, out of the presence of the Judge. If, based on the Judge's disclosure, the parties all agree on the record and in writing that the Judge's participation is not prejudicial or that the interest is insubstantial, the Judge may participate in the proceeding. A waiver reflecting this decision must be signed by all parties and entered into the record. This waiver will not cover any subsequently disclosed disqualifications; in such a situation, the above procedure must be repeated and, if the parties agree to the Judge's continued participation, a new waiver must be signed.

(2) Procedure to initiate disqualification.

- (A) A party must file a request for disqualification. The request shall be in written form and signed by the party.
- (B) The request for disqualification must be filed in a prompt and timely fashion after a party discovers the reason for disqualification.
- (C) The Court Administrator will set a hearing on the issue of disqualification as soon as it is convenient to the Court to hear the request. The hearing may be waived by the party making the request.
- (D) The Presiding Judge will hear and decide requests for disqualification of traditional, associate, pro-tempore, and appellate Judges.

- (E) If the Presiding Judge is subject to the request, the Court Administrator will appoint an associate or traditional Judge to conduct this hearing.
- (F) If a Judge determines there is good cause for disqualification, the Court Administrator will assign another Judge to the case.
- (G) A finding regarding disqualification is subject to appeal, but an overturning of the decision must be supported by a showing of an abuse of discretion.

If the person challenges the extradition based on any or all of the foregoing reasons, an evidentiary hearing shall be held within seven (7) days of the initial hearing, unless the person held on the foreign warrant requests additional time or the Court finds good cause exists to set a hearing beyond seven (7) days.

2-2.06 RELEASE PENDING EXTRADITION HEARING

The Court may set conditions of release, including but not limited to bail, pending the evidentiary hearing challenging extradition. The Kalispel Tribal Court may set bail in the amount no less than what is stated on the foreign warrant.

extradition. The Kalispel Tribal Court may forfeit bail, if posted, and issue a warrant for the person's arrest if the person fails to appear for any hearing.

2-2.07 PROCEDURE AT EXTRADITION HEARINGS

At the evidentiary hearing challenging extradition, the Judge shall determine by a preponderance of the evidence, whether the warrant is valid, whether the person held is the person named in the warrant, and whether the arrest was legal. The rules of evidence do not apply to any of the hearings on extradition. The Kalispel Tribal Judge shall order the extradition of the person arrested on the foreign warrant if the person waives extradition or if the Judge determines, after a hearing challenging the foreign warrant, that the warrant is currently valid and the person held is the person named in the warrant and the arrest by the Kalispel Tribal Officer was legal.

2-2.08 TIME FOR REQUESTING JURISDICTION TO TAKE CUSTODY

The requesting jurisdiction of the foreign warrant shall take custody of the person being held by the Kalispel Tribe within seven (7) days of the waiver of extradition or the order of extradition being entered, unless the person is being held on bail for Kalispel Tribal charge(s). If the person has Kalispel Tribal charge(s) and a waiver of extradition or order of extradition has been entered, the requesting jurisdiction of the foreign warrant shall take custody of the person within seven (7) days of the person posting bail on the Kalispel Tribal case(s) or disposition of the Kalispel Tribal case(s), whichever occurs first. The person shall be released from Kalispel Tribal custody if the requesting jurisdiction does not timely take custody of the person as mentioned above.

 - (B) Sworn testimony may consist of an electronically recorded telephone statement to the Judge; this recording shall be part of the court record and shall be transcribed if requested by a party if there is a challenge to the validity of the warrant or if ordered by the court.
 - (C) The Judge shall record a summary of any additional evidence on which he relies.
 - (D) Before ruling on the request for a warrant, the Judge may require the Affiant and any witnesses he may produce to appear and testify in person.
 - (E) The warrant shall be directed to any Tribal Police Officer. It shall command the Officer to search, within a specific period of time, not to exceed 240 hours from the hour of issuance, the person, place or thing named for the property specified. - (D) With voluntary written or oral consent of the person with authority over the premises, property, or vehicle being searched, or
- (E) With voluntary written or oral consent of a third party who possesses common authority over the premises or property being searched, or
- (F) When the Tribal Police Officer has legitimately stopped a suspect, the Officer has a reasonable belief that the person searched is presently armed and dangerous, and the scope of the search is limited to a protective purpose, or
- (G) When exigent circumstances or community caretaking justifies a warrantless search, or
- (H) When the search is of a vehicle, the vehicle was lawfully stopped and:
- (i) The search is incident to a lawful arrest and the arrestee would be able to reach a weapon from the vehicle, or
 - (ii) The search is incident to a lawful arrest and the arrestee would be able to reach evidence of the crime to conceal or destroy it, or
- (I) When the search is part of an inventory of an arrestee's possessions and for the purpose of storing the items for safekeeping; procedures must be established for such inventory searches and must be done in good faith.
- (J) When the search is an administrative regulatory search of a vehicle, bag, or other container upon entry into or when located on specific areas of the reservation where certain items, such as alcohol, are prohibited (e.g. the powwow grounds). Notice must be given that such items are prohibited and that random searches for the prohibited items will be conducted.

The Tribal Court may issue an arrest warrant upon receipt of a written, sworn complaint, charging any person of a crime of which this Court has jurisdiction, causing the individual so charged to be brought before the Tribal Court for trial. An arrest warrant shall issue only where probable cause exists from the facts alleged in the signed complaint that an offense has been committed and that the person to be arrested has committed it. Such warrants shall be served on the Reservation by a member of the Tribal Police or other authorized police officer; or shall be served off the Reservation by any law enforcement agency that chooses to honor the Tribal warrant. The person arrested shall be held until the initial

2-9.03 TIME FOR ARRAIGNMENT

- (1) If the Court does not proceed with arraignment in conjunction with the initial appearance hearing, the Court shall set an arraignment within fourteen (14) days of the initial appearance, unless the Court finds good cause or the Defendant requests to set the arraignment later than fourteen (14) days of the initial appearance.
- (2) If the Defendant is charged by complaint or citation but not arrested and/or held on the charge, a

Defendant shall be set for an arraignment within thirty (30) days of filing of complaint or citation. This period may be extended (a) if Defendant is unable to be served, exercising reasonable diligence in attempts to serve the Defendant, with a summons or served with notice of arraignment, or (b) the Defendant requests a continuance, or (c) for other good cause.

In no case shall the amount of bail specified in the agreement exceed twice the maximum penalty set for the violation or offense with which the accused is charged or Ten Thousand Dollars (\$10,000), per charge. This shall not prevent the Tribal Judge from ordering or authorizing the release of such persons without posting bail if the person has satisfactorily identified himself and it appears that his further detention is not reasonably necessary to either prevent further bodily harm to himself, others, or property, or to provide further reasonable assurance of the person's appearance before the Tribal Court.

2-10.02 FORMS OF BAIL

Bail by cash, money order, or cashiers' check may be accepted. Bond may be accepted if the Tribe has authorized a person to act as a bail bondsman.

SECTION 2-11: PRETRIAL CONFERENCE

- (1) The defendant shall note any affirmative defenses or claim of alibi in writing;
- (2) All parties shall note any motions the parties wish the court to consider and shall request an order setting a briefing and hearing schedule for such motions; and
- (3) The parties may raise other issues of importance that should be addressed by the Court.

Failure of a party to raise defenses or objections or to make a request that must be made prior to trial, constitutes a waiver of the defense, objection, or request. The Court, for good cause shown, may grant relief from any waiver provided in this subsection.

SECTION 2-12: TRIAL

The Tribal Court shall have the responsibility of insuring each person, charged with a crime under this Code, receives a speedy trial.

- (4) Delay resulting from any interlocutory appeal;
- (5) Delay resulting from any pretrial motion, from the filing of the motion through the conclusion of the hearing on, or other prompt disposition of, such motion;
- (6) Delay resulting from consideration by the court of a proposed plea agreement to be entered into by the defendant and the Tribal Prosecutor; and
- (7) Any period of delay resulting from the absence or unavailability of the defendant or an essential witness.
- (8) Any period of delay resulting from the fact that the defendant is mentally incompetent or physically unable to stand trial.
- (9) Any period of delay resulting from a continuance granted by any judge on his own motion or at the request of the defendant or his counsel or at the request of the Tribal Prosecutor, if the judge granted such continuance on the basis of his findings that the ends of justice served by taking such action

outweigh the best interest of the public and the defendant in a speedy trial.

2-12.04 EFFECT OF WARRANT OR FAILURE TO APPEAR

The time for trial shall be reset if a warrant is issued or the Defendant fails to appear for a court appearance. The time for trial will be ninety (90) days from the defendant's next appearance in court if the Defendant is not being held in jail, or sixty (60) days from the defendant's next appearance in court if he is being held in jail.

The judgment and sentence shall state the charge, the plea, the verdict and the sentence. These forms shall be signed by the Court and entered in the official records by the clerk.

All criminal convictions, whether specifically mentioned in KLOC Chapter 9 CRIMINAL OFFENSES or assimilated into Chapter 9 by the Assimilative Crimes Act, shall be subject to a fine not to exceed \$5,000.00 and/or jail time not to exceed one year for each conviction, unless otherwise specified in the Code.

It should be noted that the penalties listed in Chapter 9 of the Code are in most cases maximum penalties. The Judge will be expected to consider all of the circumstances of each case to determine whether a lesser penalty or the maximum is to be imposed.

SECTION 2-16: PROBATION

2-16.01: PROBATION

After conviction of an offense, the Court may, upon reasonable terms and conditions as it considers necessary, suspend any sentence and release the defendant on probation. YOUTH IN NEED OF CARE

7-20.01 POLICY OF THE KALISPEL TRIBE OF INDIANS

7-20.02 YOUTH IN NEED OF CARE - DEFINED

"Youth in Need of Care" means any youth who:

- (2) Has been emotionally, physically or sexually abused;
- (3) Has not been provided with adequate food, clothing, shelter, medical, dental or mental health care, education, and/or supervision by his or her parent(s), guardian or custodian, and the deprivation is not due primarily to the lack of financial means of the parent(s), guardian or custodian. "Education" includes the parents' responsibility to send the youth to school regularly;
- (4) Has been physically or emotionally neglected;
- (5) Has repeatedly run away from home;
- (6) Has committed delinquent acts as a result of parental or custodial neglect, pressure, guidance or approval;

- (9) Has been habitually disobedient of the reasonable and lawful command of his or her parent(s), guardian or custodian and is uncontrollable.

Kalispel tribal custom recognizes that a parent may place a child with another caregiver for either short term or long term. This is not in itself grounds for a youth in need of care action. However, a parent who has placed a child with another person because he or she is unable to adequately care for a child, is expected by the Kalispel Tribal Community, to work toward becoming an adequate parent.

7-20.04A MANDATORY REPORTING FOR MEDICAL PROVIDERS

 - (B) There has been abuse such as non-consensual sex or trauma; or

The Indian Child Welfare Worker may request C.P.S. and law enforcement to conduct or assist in conducting the investigation. If the Indian Child Welfare Worker reasonably believes that a youth is in an emergency situation and requires out-of-home placement, he or she shall:

This decision shall be made with the assistance of the Indian Child Welfare Advisory Committee if there is time and the Committee members are available. youth into custody; provided, that if there is sufficient time and a judge or judicial officer is available, law enforcement shall first request an emergency custody order.

(3) If law enforcement takes a youth into custody without first obtaining an emergency custody order, he or she shall:

- (A) Release the youth to the youth's parent(s), guardian or custodian and issue verbal counsel or warning as may be appropriate; or
- (B) Immediately notify the Indian Child Welfare Worker and the Indian Child Welfare Advisory Committee and request direction as to whether the youth should be placed out-of-home and if so where; or

The Court shall determine the scheduling and shall direct the Court Clerk to notify all parties. The Court shall hear testimony and consider all proposed Family Protection Plans filed. All parties shall be given an opportunity to contest the facts and conclusions presented in each proposed plan.

7-23.04 COURT ORDERED FAMILY PROTECTION PLAN (DISPOSITION)

If a youth has been determined to be in need of care, the Court shall order a Family Protection Plan for his or her protection and well-being. The Plan shall either allow the child to remain with his or her parent(s), guardian, or custodian, subject to any such limitations and conditions the Court may order or the Court may order out-of-home placement subject to the following placement preferences:

- (1) Place the youth with an extended family member subject to any limitations and conditions the Court may prescribe;
- (2) Place the youth in a foster home which has been licensed or approved by the Tribe, subject to any limitations and conditions the Court may order;
- (3) Place the youth in another home or facility which will both meet the particular needs of the youth and will insure that the youth will keep his or her ties to the Kalispel Indian Community and to his or her family.

The Court may make other orders necessary for the protection and well-being of the youth and the family. Such orders may include but are not limited to: evaluation and treatment (including involuntary residential treatment) of substance abuse, mental illness, and emotional disturbance; parenting classes; mandatory school attendance; mediation; visitation orders; restraining orders; and other services or activities for the benefit of the youth and his or her family. The Court may make a particular placement conditional on compliance with any of the above listed orders.

7-23.05 PLACEMENT CONTINGENT ON CONSENT TO JURISDICTION

Placement of a youth with anyone who does not reside within the jurisdiction of the Kalispel Tribe of Indians shall be contingent on the person's written agreement to accept the jurisdiction of the Tribal Court and to cooperate fully with the Indian Child Welfare Worker and law enforcement.

7-23.06 REVIEW HEARING

The Court shall conduct a hearing to review its Family Protection Plan at least once every six months, or earlier upon motion of any party. The Court shall review whether the parties are complying with the Plan and shall consider whether modification of the order is necessary to protect the youth and strengthen the youth's family.

PART 3 GUARDIANSHIP

SECTION 7-24: GENERAL PROVISIONS

7-24.01 PURPOSE

This chapter provides a procedure for empowering a person who is not a youth's parent to perform the duties of a primary caregiver, without terminating the parental rights of the parent(s). It is intended that the chapter be applied with flexibility for a variety of family situations and problems.¹

7-24.02 ADULT GUARDIANSHIP

Guardianship for the benefit of adults may be ordered by the Family [Tribal] Court. Until a Code is adopted by the Tribe, the Court may follow a process of its own discretion which provides basic fairness to and is cognizant of the rights of all parties.

SECTION 7-25: INITIATING AN ACTION TO APPOINT GUARDIAN

7-25.01 PETITION - WHO MAY FILE

Any person at least eighteen (18) years of age may file a petition with the Court requesting that he or she be appointed as a guardian. If the petitioner is married, his or her spouse must also be at least eighteen (18) years of age and must sign the petition, unless the spouse's whereabouts is unknown or unless waived by the Court. "Spouse" for purposes here, includes common law spouses. (See 7-4.01(3))

7-25.02 PETITION - CONTENTS

A petition for appointment of a guardian shall include:

- (1) The name, birthdate, residence and tribal status of the youth who is the subject of the petition;
- (2) The name, birthdate, residence and tribal status, if known, of the youth's parent(s) and of the petitioner(s);
- (3) If the youth is residing with someone other than a parent, the location and length of stay at that location; and
- (4) A concise statement of facts and reasons supporting the request that the petitioner be appointed

¹ For example, guardianship may be used by a youth's grandparent(s) to enroll the youth in school and obtain medical care for the youth. A young mother may wish to use guardianship rather than give a child up for adoption. Foster families may petition for guardianship if it appears the youth will not be returning to the parent(s) in the near future. A guardianship may be desirable if a youth's parents are deceased or have abandoned the child. This list is not exhaustive and is not intended in any way to limit the circumstances where a guardianship may be used.

7-25.04 NOTICE OF HEARING

Notice of the hearing shall be given by the Court Clerk or other person designated by the Tribe to perform this duty as provided under Chapter 3 at least twenty (20) days before the hearing. The notice shall include the date, time, and place of the hearing and a copy of the petition. The notice shall be served on:

7-25.05 GUARDIANSHIP REPORT - PREPARATION

The Indian Child Welfare Worker, or his or her authorized designee in consultation with the Social Services Staff, shall prepare the guardianship report. In preparing the report, the Indian Child Welfare Worker shall conduct a complete home study and shall consult with the youth's parent(s), all health, education and social service personnel who have had prior professional contacts with the youth, and with the petitioner(s) to determine whether appointment of a guardian would be in the best interests of the youth. The Indian Child Welfare Worker may also review the youth's previous court record, if one exists. In addition, the Indian Child Welfare Worker must obtain the recommendation of the Indian Child Welfare Committee as to the disposition and any other relevant issues. The guardianship report shall be in writing the professional opinions of all personnel consulted.

7-25.06 GUARDIANSHIP REPORT - SERVICE

The Indian Child Welfare Worker shall mail the guardianship report to the Court and to all parties to the proceeding at least ten (10) days before the hearing.

7-25.07 ADDITIONAL REPORTS

Any party may file a report which shall include his or her recommendations for consideration by the Court. The party shall provide copies of the report to all other parties prior to the hearing.

7-25.08 GUARDIANSHIP HEARING - PURPOSE

The Court shall conduct the hearing to determine whether appointment of a guardian is in the best interest of the youth and the tribal community.

7-25.09 GUARDIANSHIP HEARING - CONDUCT

The hearing shall be private and closed. The Court shall hear testimony to determine whether the guardianship is in the best interest of the youth and the tribal community. The Court shall consider all guardianship reports submitted for review. All parties shall be given the opportunity to contest the factual contents and conclusions of the guardianship reports.

7-25.10 GROUNDS FOR APPOINTING A GUARDIAN AND BURDEN OF PROOF

The Court may appoint a guardian when the following conditions have been proved by clear and convincing evidence:

- (1) There is written parental consent to the guardianship; or
- (2) The youth is a youth in need of care as defined under this Code.

In addition to finding one of the above conditions has been proved, the Court must also find all the following conditions have been proved by clear and convincing evidence:

- (A) That appointment of a guardian is in the best interest of the youth and the tribal community; and
- (B) The youth's best interests would not be served if the youth remains under the care and custody of the parent(s); and
- (C) That the petitioner(s) can provide appropriate and adequate parental care for the youth's financial and emotional support.

7-25.11 PLACEMENT PREFERENCE

The order of preference in placing a youth with a guardian is:

- (1) A member of the youth's extended family;
- (2) A member of or person eligible for enrollment in the Kalispel Tribe of Indians;
- (3) A member of another Indian tribe; or
- (4) If this order of placement preference cannot be met, for good cause shown, then placement may be made with any person who has knowledge of and a desire to foster the youth's tribal affiliation and special needs.

7-25.12 ENROLLMENT PRIOR TO APPOINTMENT OF GUARDIAN

If a youth is eligible for enrollment in the Kalispel Tribe of Indians, the Indian Child Welfare Worker shall assist the parent(s) in making application for enrollment of the youth to the Kalispel Enrollment Clerk. The parent(s) may also file an objection to enrollment in the Kalispel Tribe of Indians, in writing,

with the Court.

7-25.13 ORDER OF APPOINTMENT - POWERS OF GUARDIAN

If the Court orders the appointment of a guardian, the Order shall declare the child to be a ward of the Court. The Order may define or limit the Guardian's power. If the Order does not define or limit the power of the Guardian, the Guardian has the rights and responsibilities of the parent(s) except:

- (1) The guardian shall not move outside a seventy-five (75) mile radius of the Kalispel Tribal Center without court approval upon notice and hearing;
- (2) The guardian cannot consent to any adoption of the youth; and
- (3) The guardian cannot enroll a youth who is eligible for enrollment in the Kalispel Tribe of Indians, in another tribe.
- (4) Guardian shall notify the Court, in writing, of any change of address.

A guardian may petition the Court for authority to do any act if uncertain of his or her authority. The Court may grant such authority if it is in the best interest of the youth, after such notice and hearing as the Court may direct.

7-25.14 APPOINTMENT OF GUARDIAN FOR A YOUTH'S PROPERTY

The Court may appoint a person or financial institution to be the guardian of a youth's property. This may be a different person than the parent(s) or guardian who provides direct care for the youth. The Court has the authority to direct a youth's funds to be placed in trust under such terms as the Court deems just.

7-25.15 VISITATION

The Court may order visitation between the youth and parent(s) or any other person.

7-25.16 COURT REVIEW

Unless ordered by the Court, the guardianship shall not be subject to periodic or continuing supervision. However, any person may petition the Court for a review hearing in the best interest of the youth. The petition shall contain a concise statement setting forth why the review is required and requesting a hearing. The petition shall be served on all interested parties, along with notice of the hearing, by the Court Clerk in accordance with Chapter 3.

PART 4
EMANCIPATION

SECTION 7-29: GENERAL PROVISIONS

7-29.01 PURPOSE

The purpose of this chapter is to provide a process for young people to petition the Tribal Court for the removal of the legal disabilities that accompany the status of being a minor.

7-29.02 WHO MAY PETITION

Any youth may petition the Tribal Court for an order of emancipation provided the following requirements are met:

- (1) The youth is a member of the Kalispel Tribe of Indians; or the youth resides or is domiciled within the jurisdiction of the Kalispel Tribe of Indians; and
- (2) The youth is living separate and apart from his or her parent(s), guardian, or custodian; or the youth has special needs; or there exist special circumstances necessitating emancipation; and
- (3) The youth is capable of arranging for his or her own support and the management of his or her own financial affairs.

7-29.03 YOUTH MAY FILE ON OWN BEHALF

A youth may file a petition for emancipation in his or her own name.

7-29.04 CONTENTS OF THE PETITION

The petition for emancipation shall include:

- (1) The name, date of birth, address and tribal status of the youth;
- (2) The name, date of birth, address and tribal status of each living parent;
- (3) The name and address of the youth's custodian or guardian, if any;
- (4) The reasons emancipation would be in the best interest of the youth; and
- (5) The purposes for which emancipation is sought.

7-29.05 CONSENT

The youth must obtain the consent of each living parent, guardian, or other custodian of the youth who has control of the youth's person or property. If the person whose consent is required is unavailable or his or her whereabouts is unknown, or if a parent, guardian or custodian unreasonably withholds consent, the Tribal Court, acting in the best interests of the youth, may waive the requirement for that particular parent, guardian, or custodian.

7-29.06 GUARDIAN AD LITEM

The Tribal Court may appoint a guardian ad litem to represent the interest of the youth in an emancipation proceeding.

7-29.07 NOTICE

Notice of the date, time, and place of the emancipation hearing shall be given by the Court Clerk to the parties, to the Indian Child Welfare Worker, to the Presenting Officer, and to those from whom consent is required under Section 7-29.05, at least five (5) days before the hearing.

7-29.08 RECOMMENDATION OF THE INDIAN CHILD WELFARE WORKER

The Indian Child Welfare Worker may file a recommendation with the Court on any petition for emancipation. A copy of the recommendation shall be provided to the youth, his or her parent(s), guardian, or custodian, and the Presenting Officer.

7-29.09 NOTICE OF PRIOR OR PENDING COURT ACTIONS

The Indian Child Welfare Worker shall notify the Court if he or she is aware of any court orders or legal actions, in any jurisdiction, involving the youth and which may be relevant to the emancipation proceedings (such as juvenile criminal proceedings, sentencing orders, parole, or dependency proceedings). No emancipation shall be ordered if it would circumvent a valid criminal sentence ordered by any court of competent jurisdiction.

7-29.10 APPLICABLE STANDARD

The Tribal Court may emancipate a youth if it is in his or her best interest. Emancipation may be ordered for general or limited purposes, and the Order of Emancipation shall specifically state the extent of the emancipation. A copy of the order shall be provided to the youth; his or her parent(s), guardian, or custodian; and to the Indian Child Welfare Worker, to the Presenting Officer, and Tribal Law Enforcement.

7-29.11 RIGHTS OF AN EMANCIPATED YOUTH

Except for limits placed by the Court and specific constitutional and statutory age limits such as voting and use of alcoholic beverages, a youth who has been emancipated has the rights and capacities of an adult, including but not limited to the right to control himself or herself, to be domiciled where he or she desires, to receive and control his or her earnings, to sue and be sued and to enter into contracts.

PART 5

SECTION 7-30: TERMINATION OF PARENTAL RIGHTS

7-30.01 PURPOSE

The Kalispel Tribe has not traditionally provided for the termination for a parent's rights. It is currently the custom of the Tribe to view involuntary termination of a parent's rights as a last resort. While the Tribe recognizes parental rights are entitled to protection, it also recognizes those rights must be balanced against those of the Tribal youth. Where parental rights and the rights of youth conflict, the child should be protected. A child has a right to proper care. Further, the parents have a duty to honor that right. Where it is evident that a youth is not receiving proper care, due to the negligent treatment or abuse of the youth by his or her parent(s), The Tribe may take extreme steps to protect the rights of the youth including involuntary termination of parental rights. This chapter also addresses termination of parental rights by consent of the parent(s) for adoption.

7-30.02 PETITION FOR TERMINATION OF PARENTAL RIGHTS - WHO MAY FILE

Any person at least eighteen (18) years of age may file a consent to allow the adoption of his or her children. Only a representative of the Kalispel Tribe may file a petition for involuntary termination of a parent's rights.

7-30.03 PETITION - CONTENTS

A petition for termination of a parent's rights shall include:

- (1) The name, birthdate, residence, and tribal status of the youth who is the subject of the petition;
- (2) The name, birthdate, residence, and tribal status, if known, of the youth's parent(s), guardian, or custodian;
- (3) If the youth is residing with someone other than a parent, the location and length of time the youth has resided at that location, unless such information would jeopardize the safety of the youth; and
- (4) A statement by the petitioner (whether the petitioner is the Tribe or a parent) of the facts and reasons supporting the request.

7-30.04 SETTING THE HEARING

When the Court receives the petition it shall set a hearing date, which shall not be more than forty (40) calendar days after the Court received the petition, unless continued for good cause.

7-30.05 NOTICE OF HEARING

Notice of the hearing shall be served as specified under Chapter 3 by the Court Clerk or other person designated by the Tribe to perform this duty, at least twenty (20) days before the hearing. The notice

shall include the name of the court; the date, time, and place of the hearing; and a copy of the petition.

The notice shall be served on:

- (1) The petitioner;
- (2) The youth or his/her representative or guardian ad litem;
- (3) The youth's parent(s);
- (4) The Presenting Officer or other designated representative of the Kalispel Tribe of Indians;
- (5) The Indian Child Welfare Worker;
- (6) Any person the Court deems necessary for the hearing; and
- (7) Any person the parties believe necessary for the hearing.

7-30.06 PRE-TERMINATION REPORT - PREPARATION

The Indian Child Welfare Worker, or his or her authorized designee, in consultation with the Social Services Staff shall prepare a pretermination report. In preparing the report, the Indian Child Welfare Worker shall conduct a complete homestudy and shall consult with the youth's parent(s); all health, education, and social service personnel who have had prior professional contacts with the youth and with the petitioner(s) to determine whether termination of the parent's rights would be in the best interest of the youth. In addition, the Indian Child Welfare Worker must obtain the recommendation of the Indian Child Welfare Committee as to the disposition and any other relevant issues. The report shall be in writing and shall contain all professional opinions of persons consulted, pertaining to the termination of parental rights. The Court may waive the requirement of a pre-termination report in cases where a parent consents, provided that all requirements for a proper consent under this chapter have been met.

7-30.07 PRE-TERMINATION REPORT - SERVICE

The Indian Child Welfare Worker shall mail the termination report to the Court and to all parties to the proceeding at least ten (10) days before the hearing.

7-30.08 ADDITIONAL REPORTS

Any party may file with the Court a report which shall include his or her recommendations regarding the proceeding. The party shall provide copies of the report to all other parties prior to the hearing.

7-30.09 TERMINATION HEARING - CONDUCT

The hearing shall be private and closed. The Court shall hear testimony to determine whether termination of parental rights is in the best interest of the youth and the tribal community. The Court shall consider all termination reports submitted for review. All parties shall be given the opportunity to contest the factual contents and conclusions of the termination reports.

7-30.10 GROUNDS FOR TERMINATION AND BURDEN OF PROOF

The Court may order involuntary termination of a parent's rights only if the Tribe proves by clear and convincing evidence of any of the following:

- (1) That the parent has:
 - (A) Abused the youth physically or sexually
 - (B) Abandoned the youth,
 - (C) Chronically neglected the youth, or
 - (D) Chronically emotionally maltreated the youth;
 - (E) Been criminally convicted in the death of a sibling of the youth at issue by any of the above; and
- (2) That termination of the parent's rights is in the best interest of the youth and of the tribal community.
- (3) That the Tribe has offered or helped arrange for appropriate resources to help the parent care appropriately for the youth; and
- (4) That it is unlikely that the parent will be able to care appropriately for the youth.

7-30.11 CONSENT

Consent of a parent to terminate his or her rights to a youth is not valid unless:

- (1) The parent has received counseling from an appropriate professional who has explained the consequences of terminating his or her rights, has explored all available services to help the parent care for the youth (such as parenting classes and substance abuse treatment), and has explored alternatives to termination of parental rights, such as guardianship;
- (2) The parent orally explains his or her understanding of the meaning of termination of parental rights to the Tribal Court and the Court certifies that the terms and consequences of the consent were fully explained and were fully understood by the parent; and
- (3) The consent was given no sooner than thirty (30) days after the birth of the youth. This does not mean the youth cannot be placed with the prospective adoptive parents or other caregiver during the 30 day period.

Any consent may be withdrawn prior to the entry of a final decree of adoption and, if no other grounds exist for keeping the youth from the parent, the youth shall be returned to the parent.

7-30.12 ENROLLMENT PRIOR TO TERMINATION

If a youth is eligible for enrollment in the Kalispel Tribe of Indians, the Indian Child Welfare Worker shall assist the parent in making application for enrollment of the youth to the Kalispel Enrollment Clerk. The parent may file an objection to enrollment in the Kalispel Tribe of Indians, in writing, with the Court.

7-30.13 DISPOSITION

If the petition is denied, the Court shall specify the reasons for the denial and shall designate who shall have custody of the youth. If parental rights are not terminated, but sufficient grounds for finding the youth is in need of care have been proved to the Court, the Court may make a disposition consistent with the youth in need of care or guardianship provisions of this Code.

SECTION 7-31: ADOPTION

7-31.01 PETITION FOR ADOPTION - WHO MAY FILE

Any person at least eighteen (18) years of age may file a petition with the Court to adopt a youth. If the petitioner is married, his or her spouse must also be at least eighteen (18) years of age and must sign the petition, unless the spouse's whereabouts is unknown or unless waived by the Court.

The Indian Child Welfare Worker may also review the youth's previous court record, if any. In addition, the Indian Child Welfare Worker must obtain the recommendation of the Indian Child Welfare Committee as to the disposition and any other relevant issues. The adoption report shall be in writing and contain the professional opinions of all personnel consulted including the following:

- (1) The physical and mental condition of the youth, petitioner(s) and person's living in the petitioner's home;

(9) Any evidence of alcohol and drug abuse in petitioner's household; and

(10) Any other facts and circumstances relating to whether or not the adoption should be granted.

7-31.07 ADOPTION REPORT - SERVICE

The Indian Child Welfare Worker shall mail the adoption report to the Court and to all parties to the proceeding at least ten (10) days before the hearing.

7-31.08 ADDITIONAL REPORTS

Any party may file a report which shall include his or her recommendation for consideration by the Court. The party shall provide copies of the report to all other parties prior to the hearing.

7-31.09 ADOPTION HEARING - CONDUCT

The hearing shall be private and closed. The Court shall consider all adoption reports submitted for review. All parties shall be given the opportunity to testify regarding the proposed adoption.

7-31.10 GROUNDS FOR ENTERING DECREE OF ADOPTION

The Court may enter a decree of adoption if it finds that:

(1) Adoption is in the best interest of the youth and the tribal community; and

(2) That the petitioner(s) can provide appropriate and adequate parental care for the youth.

7-31.11 PLACEMENT PREFERENCE IN GENERAL

The Court shall be guided by the following placement preferences in deciding whether an adoption will be granted. The Court may deny the adoption if the petitioner(s) does not fall into one of these categories:

(1) A member of the youth's extended family;

(2) A member of or person eligible for enrollment in the Kalispel Tribe of Indians;

(3) A member of another Indian tribe; or

(4) If this order of placement preference cannot be met, for good cause shown, then placement may be made with any person who has knowledge of and a desire to foster the youth's tribal affiliation and any potential special needs.

7-31.12 PLACEMENT PREFERENCE FOR SIBLINGS

When applying the preferences listed in Section 7-31.11 the Court shall, when possible:

(1) Whenever more than one sibling is to be placed, place siblings together or in close proximity, unless the placement would cause serious physical or emotional harm to one or more of the children; and

- (2) Place the youth in a manner assuring maximum opportunity for maintenance of a sibling relationship.

7-31.13 ENROLLMENT PRIOR TO ENTRY OF ADOPTION DECREE

If a youth is eligible for enrollment in the Kalispel Tribe of Indians, the Indian Child Welfare Worker shall assist the parent(s) in making application for enrollment of the youth to the Kalispel Enrollment Clerk. Either parent may file an objection to enrollment in the Kalispel Tribe of Indians, in writing, with the Court.

7-31.14 DENIAL OF ADOPTION PETITION

If the adoption petition is denied, the Court shall specifically state the reasons for the denial and shall designate who shall have custody of the youth.

7-31.15 DECREE OF ADOPTION

If the Court grants the petition for adoption, the Court shall enter Findings of Fact and Conclusions of Law and a separate Decree of Adoption. The Decree shall include:

- (1) A statement that the youth is available for adoption and any order the Court may make concerning recognition of the parental consent terminating parental rights and/or orders terminating parental rights filed in the case;
- (2) A statement that the youth is, for all intents and purposes, the youth, legal heir, and lawful issue of the petitioner(s);
- (3) The marital status of the petitioner(s);
- (4) The full name of the youth upon adoption;
- (5) Orders directing the Court Clerk to forward a certified copy of the decree to the appropriate Bureau of Vital Statistics for purposes of obtaining a corrected birth certificate when the adoption becomes permanent in one year; and
- (6) a statement that the records of the proceeding shall remain sealed unless otherwise ordered by the Court.

7-31.16 EFFECT OF DECREE OF ADOPTION

A decree of adoption has the following effect: it creates the relationship between the adopted youth and the petitioner(s) and all relatives of the petitioner(s), that would have existed if the youth were a legitimate blood descendant of the petitioner(s). This relationship shall be created for all purposes including inheritance and applicability of statutes, documents, and instruments, whether executed before or after entry of the adoption decree, that do not expressly exclude an adopted person by their terms. The decree does not override any tribal enrollment laws or requirements.

7-31.17 VISITATION

Adoptive parents shall be encouraged to help the youth maintain positive relationships with the biological family. However, the adoptive parent(s) shall have the exclusive right and power to decide the terms, if any, of the visitation by any person(s) with the youth.

7-31.18 ADOPTION RECORDS

All records, reports, proceedings, and orders in adoption cases are confidential and shall not be available for release or inspection except:

- (1) The Bureau of Indian Affairs may have access to such information as is necessary to protect inheritance rights or enrollment status of the adopted youth (and his or her descendants);
- (2) A copy of the decree of adoption, but not the Findings of Fact and Conclusions of Law, may be given to the Bureau of Vital Statistics as provided by this chapter; and
- (3) An adopted youth may petition the Court, upon reaching eighteen (18) years of age, for release of specifically requested information, limited to: the biological parents' name, address, tribal status and social security number; and the names and relationship to the youth of relatives, for the purpose of medical need or medical history information or to assist in making a relative placement of a youth of the adoptive youth.

- (2) a member of the child's extended family;
- (3) a member of or descendant of the Kalispel Tribe of Indians; or
- (4) a member of another Indian tribe.

If this order of placement preference cannot be met, for good cause shown, then placement may be made with any person who has knowledge of and a desire to foster the youth's tribal affiliation and special needs.

If the dwelling is leased, the applicant must provide assurances from the landlord that no rent increase will result from the repair and that the applicant will be able to continue to lease the dwelling for at least two additional years following completion of the repairs.

16-4.03 CATEGORY “B”

The purpose of Category “B” assistance is to finance repairs and/or additions that will improve housing to “standard” condition as defined in 25 C.F.R. 256.2(I).

Grants may not exceed \$20,000.00 for any one dwelling. No applicant may receive more than one grant in this category.

In general, these grants are for tribal members who own or are buying homes. Tribal members who rent from Indian owners may apply if they can provide assurances that they can remain in the dwelling for five additional years. The applicant must be able to show that no rent increase will result from the repair. The landlord must also agree in writing that, if the original applicant moves out, he will give preference in renting to another tribal member eligible under this program and will notify the Housing Coordinator of any vacancy and give the Housing Authority two months to locate another eligible tribal member to occupy the dwelling.

16-4.04 CATEGORY “C”

The purpose of Category “C” is to provide down payment assistance to tribal members to help make them eligible for tribal, federal, or other housing loan programs (including bank loans or mortgages).

Grants under this category will not be made unless the financing for the mortgage is provided by federal, state or tribal government or a reputable lending institution insured under federal law.

The applicant must show that he has adequate income and other resources to meet the full cost of the mortgage loan, that he is purchasing a standard dwelling as defined in 25 C.F.R. 256.2(I) and does not presently own or is not presently buying any other dwelling.

No grant may be made for more than the amount necessary to secure the loan plus closing costs or \$5,000.00 whichever is less. No applicant may receive more than one grant under this category.

The applicant must provide evidence from the lending institution that the loan will be granted and give assurances that the funds will be used for the purpose intended. The lending institution must also agree in writing to notify the Housing Coordinator of any anticipated default of a tribal member and to allow

the Housing Authority a reasonable time to locate a qualified tribal member to assume the loan prior to any foreclosure.

16-4.05 CATEGORY “D”

The purpose of Category “D” assistance will provide the financing of the construction of new standard housing when it is established that there is no reasonable prospect that standard housing can be financed from sources other than the Housing Improvement Program.

Grants may not exceed \$45,000.00 for a dwelling and equipment. No applicant may receive more than one grant under this category.

Consideration for assistance under this category is hereby limited to elderly, handicapped, or members who are victims of disaster. In the event no applicant meets this clause, then selection for assistance under Category “D” will be based on low-income, relative to family size, with consideration given for current living conditions.

All contractor built homes must contain a one-year warranty against defects, materials, and workmanship.

The applicant must have ownership of the land on which the house is built, or have a minimum 25 year lease agreement with the owner. The applicant must agree in writing that if the house is sold within the first 10 years of ownership, the grant is voided and the full amount repaid to the B.I.A. Subsequent to 10 years he/she may retain 10% of the original grant amount for each successive year beginning with the 11th year. The remaining pro-rated share must be repaid to the B.I.A. After 20 years, no payment will be due to the B.I.A.

Any claim resulting from an employment-related aggravation of a pre-existing condition which was not disclosed as required under this Code may be declined by the Administrator. The employer shall be entitled to take any action permitted by applicable law to recover any payment or benefits paid under this Code to a covered worker where the payment or benefit was based upon the fraudulent or false statements or misrepresentation by the covered worker.

23-4.09 Injuries Resulting from Self-Inflicted Injuries, Willful Misconduct, "Horseplay" or safety violation

- A. No benefits of any nature shall be payable for any covered worker's injury or death caused by a covered worker's willful intention to injure themselves. An injury sustained during "horseplay" is not incurred in the course and scope of the employment, and thus such an injury under this Code is not compensable.
- B. The willful disregard of a safety order from the employer to the worker to wear or use a safety device and/or to perform work in a certain manner may cause such person to forfeit all rights to compensation or benefit. A covered worker's willful disabling of safety devices on equipment

constitutes a willful intention to injure himself thereby precluding eligibility for benefits under this Code.

23-4.10 Injuries Resulting from NATURAL CAUSES or idopathic claims

Injury or death which results from natural causes, i.e., heart attack, stroke or other natural function failure, which does not arise out of the course and scope of employment while the worker was acting in the furtherance of the employer's interest, shall not be compensable unless the work being performed is the sole cause for the injury.

23-4.11 Recreational, Social or Athletic Activities

- A. No benefits of any nature shall be payable for any covered worker injured or killed if the injury or accident occurred as a result of the worker's voluntary participation in a, recreational, social, or athletic activity not constituting part of the worker's work-related duties.
- B. No benefits under this Code shall be payable to any covered worker if the injury, disease, or death arises from participation in voluntary physical fitness activities during the regular work day, regardless of whether the covered worker is or is not compensated for the time in which the physical fitness activities take place.

23-4.12 Injuries Caused by Third Parties

No benefits of any nature shall be payable for any covered worker injured or killed as the result of an act of a third party, including co-workers, who intended to injure the worker because of reasons personal to that worker and not directed at the worker for reasons related/relevant to his employment.

23-4.13 Secondhand Smoke Claims

No benefits under this Code shall be payable to or on behalf of any covered worker injured or killed as a result of exposure to or injury by secondhand smoke.

23-4.14 REPETITIVE MOTION/SOFT TISSUE

Benefits will only be paid up to 12 visits for physical therapy, chiropractic or any other treatment caused by repetitive motion or any other condition that does not have a physical manifestation. This includes but is not limited to soft tissue damage, carpal tunnel syndrome, tennis elbow and lower back pain.

SECTION 23-5: BENEFITS - GENERAL PROVISIONS

23-5.01 Right to Compensation and Medical Treatment Benefits

Every covered worker coming within the provisions of this Code who is injured, and in the event of a

worker's death, the dependents of every such covered worker, arising out of and in the course and scope of employment and while acting in the furtherance of the employer's interest at the time of the incident and/or accident, unless the injury is otherwise limited or excluded by the terms and conditions of this Code, shall be entitled to receive, and shall be paid, for loss sustained on account of the injury, death and/or occupational disease, such benefits as provided under this Code.

23-5.02 Workers Benefit as Exclusive Remedy

The rights and remedies provided by the provisions of this Code for a worker on account of injury or occupational disease for which benefits under this Code are recoverable, shall be the exclusive and only rights and remedies of such worker, the worker's personal or legal representative, dependents, or next of kin, at common law or otherwise, on account of such injury and/or occupational disease against the employer, the employer's representative, insurer, guarantor or surety, for any matter relating to the occurrence of or payment for any injury or death covered under this Code. To that end, all civil causes of action against the covered employer and its employees, arising from said injuries or death, and the jurisdiction of all courts over such causes of action are hereby abolished and barred, except as specifically provided by this Code.

23-5.03 Effect of Compensation Paid in Other Jurisdictions or Third Party Recovery

An injured worker who pursues and recovers compensation under laws of another jurisdiction or from a third party shall notify the Administrator. The injured worker forfeits compensation under this Code in proportion to their recoveries from the other jurisdiction or third party.

23-5.04 Liability of Third Parties - Subrogation

- A. The employer and/or their representative, insurer, guarantor, or surety shall be subrogated to the common law rights of the worker to pursue any claims for compensation against any third party that is liable for the death of, or injuries to, said worker arising out of and in the course and scope of employment and while the worker was acting in the furtherance of the employer's interest to the extent of the benefits bestowed upon the said worker.
- B. In case of recovery, the Administrator selected under section 9 of this Workers Protection Code shall enter judgment for distribution of the proceeds thereof as follows:
 1. A sum sufficient to repay the employer and/or the Administrator for the amount of compensation actually paid to the worker under this Code up to that time;
 2. A sum sufficient to pay the employer the present worth, computed at the current legal interest rate for court judgments and decrees, of the future payments of compensation for which the

employer is liable, but the sum is not the final adjudication of the future payments which the worker is entitled to receive and if the sum received by the employer is in excess of the amount required to pay the compensation, the excess shall be paid to the worker.

3. The balance, if any, shall be paid over to the worker.

C. For subrogation purposes hereunder, any payment made to a covered worker, his guardian, parent, next of kin, or legal representative, by or on behalf of any third party, his or its principal or agent liable for, connected with, or involved in causing an injury to such worker shall be considered as having been so paid as damages resulting from and because said injury was under circumstances creating a legal liability against said third party, whether such payment be made under a covenant not to sue, compromise settlement, denial of liability, or otherwise.

23-5.05 Assignability of Benefits - Attachment of Liens

Benefits received under this Code are not assignable., Income from death benefits are subject only to the following liens or claims, to the extent of any income or death benefits that are unpaid on the date the Administrator receives written notice of the lien, judgment, or claim in the following order of priority:

- A. Court-ordered child support issued or recognized by the Tribal Court;
- B. A subrogation interest established under this Code; and
- C. Debts owed to the Tribe.

23-5.06 Aggravation of Pre-Existing Disease or Condition

If a covered worker is suffering from a pre-existing disease and/or injury at the time an occupational incident, accident and/or disease occurs or arises in the course and scope of employment and while the worker was acting in furtherance of the employer's interest at the time of the injury and/or incident, and the pre-existing disease and/or injury is aggravated thereby, the aggravation of the disease or injury is, subject to provisions herein, compensable under this Code. The amount of the award for that disability as set forth in this Code may be reduced or denied in its entirety by the Administrator in consideration of the following:

- A. A prior settlement from any source for the same impairment;
- B. The difference between the degree of impairment of the worker before the covered accident and/or occupational disease and the degree of impairment after the covered accident or occupational disease; or.
- C. The benefits to be paid for impairments and/or disabilities would be in excess of 100% of the whole

person. For purposes of this subsection, benefits include those benefits or payments made under this Code, benefits from the worker's compensation laws of any other jurisdiction or payments from third parties.

23-5.07 Termination of Benefits Upon Death

Where a worker is entitled to compensation under this Code for an injury sustained, and death ensues from any cause not resulting from the injury for which he was entitled to the compensation, payments of the unpaid balance for such injury shall cease and all liability for such compensation thereafter shall terminate.

SECTION 23-6: BENEFITS

23-6.01 Vocational Rehabilitation

Vocational rehabilitation benefits or training are not mandatory under this Code, but may, in the discretion of the Administrator, be ordered pursuant to his authority established herein, or as required under rules promulgated by the TWBAC.

23-6.02 Waiting Period

An initial waiting period of seven (7) consecutive calendar days is to accrue before the covered worker shall be entitled to benefits under this Code.

23-6.03 Total Disability and Partial Disability Income Benefits

A. When the worker is disabled from work duty as determined by the consulting physician, or in the Administrator's discretion, the attending physician, by reason of a compensable injury or occupational disease, benefits shall be payable as follows:

1. If the covered worker is 100% disabled, benefits are payable at 70% of the worker's pre-injury average weekly wage.
2. If the covered worker is less than 100% disabled, benefits are payable at 100% of the difference between a worker's pre-injury average weekly wage and the wage the covered worker is earning or capable of earning in his partially disabled condition.

B. Except as provided herein, such benefits will continue to be paid in accordance with the terms of this Code until which time the earliest of the following occurs:

1. The expiration of 36 months from the date of the occurrence, or in the case of an occupational disease, 36 months from the earliest of the first manifestation of the symptoms or notification from a physician that the illness is inherent or related to the worker's occupation;

2. The consulting physician, or in the discretion of the Administrator, the attending physician, declares that the worker has reached Maximum Medical Improvement;
3. A full, unrestricted release is provided by the attending physician;
4. A modified or light duty release is provided by the attending physician and a bona fide job offer of suitable work consistent with the worker's disability is rejected;
5. A new or intervening incident is the proximate cause of disability;
6. Benefits are refused by the worker;
7. Presumption of MMI or abandonment of medical treatment as defined by section 4.05 of this Code;
8. Suspension of benefits by the Administrator for reasons authorized in this Code or by the authority of the arbitrator selected under section 9 of this Workers Protection Code.
9. The worker's earning capacity is reduced for reasons other than the disability from the work-related injury.
10. The covered worker dies from any cause not resulting from the injury for which he was entitled to compensation under this section.

23-6.04 Impairment Benefits

- A. At the expiration of 36 months from the date of the incident, accident and/or occupational disease, the worker is presumed to have reached MMI regardless of disability and/or current medical status. The attending physician is to provide an impairment rating in accordance with the most current edition of the American Medical Association (AMA) based on reasonable medical probability. In addition, at this time the attending physician is required to provide a treatment plan for reasonable and necessary future medical needs. The attending physician's impairment rating and treatment may be subject to review and revision by the consulting physician at the discretion of the Administrator.
- B. The impairment ratings are to be converted to the covered worker as a whole. Those ratings assigned to a specific body part are to be converted in accordance with the AMA guidelines.
- C. A rating may not be issued prior to the declaration of Maximum Medical Improvement. The Administrator may reserve issuance of payment under the following conditions:
 1. Contribution for prior impairment ratings;
 2. Clarification by the Administrator of this Code as to the validity of the date for MMI;
 3. Similar rating or Maximum Medical Improvement issues to be resolved by the consulting physician or, if necessary, TWPAC.
- D. The rating recognized by TWPAC is binding. The rating will not be retroactively paid for weeks accrued

in resolving the rating issue subsequent to the date of Maximum Medical Improvement. Such benefits will become effective the date of the ruling and commence at that time. Benefits will not be withheld beyond a reasonable time period in clarification of the rating and MMI date.

- E. Benefits will be payable based on the impairment rating issued to the covered worker multiplied by \$300,000 and divided by the total number of scheduled weeks (156). Benefits payable under this section are limited to a total of \$300,000 regardless of the impairment rating issued and regardless of the number of body parts involved.
- F. A Lump Sum Settlement for Impairments will be given for those covered workers who receive a rating of 15% of the covered worker as a whole or less. Notwithstanding provisions herein, the Administrator shall retain the right and discretion to request Lump Sum Settlements in those cases with a rating of greater than 15% of the covered worker as a whole.

23-6.05 Benefit Issuance Period

Except as provided herein:

- A. All benefits under this chapter are to be issued weekly.
- B. There shall be no acceleration of benefits under this Code.
- C. Any settlement issued on behalf of a covered worker shall be executed by signed memorandum only.

23-6.06 Not to Exceed Pre-Injury Average Weekly Wage

In no event may the worker's incapacity income benefits, or other income sources supplement the loss income exceed 100% of the worker's pre-injury average weekly wage, as may be increased by a Tribally approved cost of living adjustment.

23-6.07 Benefit Offsets

The Administrator is entitled to reduce benefits payable to covered workers under this Code in an amount equal to covered worker payments paid for by the employer for any pecuniary wages paid in the form of social security, long-term and short-term disability, employer elected salary contribution, vacation or sick leave, except for sick or paid administrative leave in the first seven (7) calendar days after an accident or onset of an occupational disease, or any other entitlement of a similar nature paid in whole or in part by the employer. Further, if any overpayment is made under this chapter to the covered worker of any disability income benefits as set forth in section 6.03 of this Code, such shall be deducted from any benefits payable under functional impairment benefits as set forth in section 6.04 of this Code; or in the case where no functional impairment benefits are payable, then such overpayment of benefits may be deducted through payroll deductions.

SECTION 23-7: DEATH BENEFITS

23-7.01 Distribution of Death Benefits

- A. When death ensues to the covered worker by reason of a compensable injury or occupational disease, benefits shall be payable to the dependents who were dependent as defined in Section 1.04 on the earnings of the worker for support at the time of his injury, compensation upon the basis of 70% per week of the worker's average weekly wage, commencing from the date of death as follows:
1. If there are no children entitled to benefits, then all to the surviving spouse for the projected probable life span of the decedent based on established mortality tables, the life of the surviving spouse or until remarriage., whichever comes first, provided that upon remarriage two years' benefits shall be paid to the surviving spouse in a lump sum. To be an eligible "surviving spouse" under this Code, the surviving spouse must have been married and living with the decedent at the time of the compensable injury, proof of eligibility may be required. If there are surviving eligible dependents the surviving spouse shall be entitled to one-half of death benefits. If there is a surviving spouse, one-half of death benefits paid to each surviving eligible child in equal shares.
 2. If there is no surviving spouse, equal share of all to dependent as defined in Section 1.04.
- B. Where a worker is entitled to compensation under this Code for an injury sustained, and death ensues from any cause not resulting from the injury for which he was entitled to the compensation, payments of the unpaid balance for such injury shall cease and all liability thereafter shall terminate.

23-7.02 Redistribution of Death Benefits

This burial benefit payment shall not be reduced as a result of any burial benefit paid by any other source.

SECTION 23-8: MEDICAL BENEFITS

23-8.01 Entitlement to Medical Benefits

All covered workers are entitled to reasonable health care, supplies and reasonably necessary transportation incurred for such services. Medical benefits are payable from the date the compensable injury or accident occurred.

23-8.02 Right to Select Doctor; Employer Selection

- A. Except in an emergency, all health care must be approved or recommended by the employer or Administrator. Health care treatment must be offered promptly and be reasonably suited to treat the injury. If the worker has reason to be dissatisfied with the care offered, he should communicate the basis of such dissatisfaction to the Administrator, in writing following which the Administrator and the worker may agree to alternate care reasonably suited to treat the injury. If the Administrator and the worker cannot agree on alternate care, TWPAC may, upon application and the reasonable proofs of the necessary thereof, allow and order other such care. Any non-authorized treatment of the covered worker is not payable under this section and shall be at the worker's sole expense.
- B. Chiropractic, osteopathic, naturopathic, acupuncture, or other non-traditional forms of treatment must be approved by the Administrator and approved by the attending physician. Duration of treatment and/or number of visits to such medical providers shall be subject to Administrator's approval, who may rely upon the advice of the consulting or attending physician.
- C. After notice and opportunity for a hearing, TWPAC may issue a decision relieving the Administrator of the duty to pay for health care furnished by a health care provider or any other person selected in a manner inconsistent with the requirements of this Code.

23-8.03 Release of Medical-Related Information

Any worker, employer or insurance carrier or its agents making or defending a claim for benefits agrees to the release of all information to which the worker, employer, carrier, or its agents have access concerning the worker's physical or mental condition relative to the claim and further waives any privilege for the release of such information. The information shall be made available to any party or the party's representative upon request, and includes any third-party health care providers. Any

institution or person releasing the information to a party or the party's representative shall not be liable criminally for civil damages by reason of the release of the information.

23-8.04 Medical Expenses

Expenses shall be limited to those usual and customary charged in the community, or like community, for similar services. Charges believed to be excessive or unnecessary may be denied by the Administrator. Any institution or person rendering treatment to a worker under this Code agrees to be bound by such charges as allowed by the Administrator and shall not recover in law or equity any amount in excess of that set by the Administrator.

23-8.05 Settlement of Future Medical Treatment, INCOME LOSS, IMPAIRMENT, DEATH BENEFIT

The covered employer and covered worker may negotiate settlement of future medical expenses, income loss, impairment, death benefit and other benefits under this Code that are owed to the covered worker. For purposes of settling the future medical expenses, the basis for settlement will be the value of the current and future medical treatment plan. Settlements under this section are not to exceed \$100,000 unless approved by the TWPAC.

SECTION 23-9: ADJUDICATION OF DISPUTES

23-9.01 Appeals From Decisions of the Administrator

- A. The Administrator shall administer this Code in accordance with the terms and conditions set forth in this Code. Any appeals from final decisions of the Administrator shall follow the procedures as set forth in this Code and in accordance with any and all rules and regulations of the TWPAC.
- B. First Level – Any claimant may appeal a decision of the Administrator by filing a contested claim in writing to TWPAC within 30 business days of the Administrator's final decision. TWPAC will hold a hearing within 10 business days between the claimant and the Administrator, once all requested documentation from both parties are received. TWPAC will render a decision within 5 (five) business days of the hearing. Any claimant appealing the decision of the Administrator shall bear the burden of proof that the Administrator's decision was not in accordance with, or was in violation of, this Code. TWPAC will conduct hearings in accordance with their established rules and render a written decision in the dispute. The decision of TWPAC shall be final and binding on all parties except for an appeal to the Tribal Court as provided herein.
- C. Second Level - Tribal Court. Any and all appeals from a decision of TWPAC shall be heard by the Tribal Court under the laws of the Kalispel Tribe of Indians. The TWPAC decision shall be upheld unless the Tribal Court finds the decision was:

1. Unsupported by evidence;
2. Arbitrary and capricious;
3. An abuse of discretion by the Administrator; or
4. Contrary to the Code or other applicable law.

23-9.02 Hearings

- A. A claimant and the Administrator shall have the right to be represented by an attorney in all matters presented before TWPAC and/or Tribal Court, if applicable, to cross-examine all witnesses and to review all evidence of any nature, as may be related to the matter under consideration. However, attorney fees are limited by section 9.03. All hearings will be conducted in a manner that does not violate due process.
- B. An TWPAC hearing appeals under this Code shall not be bound by formal rules of evidence or by technical or formal rules of procedure and may conduct investigations in such a manner as its judgment is best calculated to ascertain the substantial rights of the parties and to promote the spirit and intent of the Tribal Workers Protection System.
- C. A full and complete record of all TWPAC proceedings shall be kept by the TWPAC by the method provided in their rules and regulations and shall be available to any party who requests the record in writing, demonstrating reasonable need for such record, and by paying the fee set forth in the rules and regulations of the TWPAC.

23-9.03 Claimant Attorney's Fees and Other Related Arbitration Costs

- A. If TWPAC awards benefits to the claimant in excess of the Administrator's original benefit determination the claimant's attorney's fees will be approved with a maximum limit of 10% of the total benefit award, or \$3,500, whichever is less. The award of attorney's fees to the claimant shall be over and above any benefits paid or provided to the claimant pursuant to this Code. Disputes over attorney fees must be filed with TWPAC in accordance with TWPAC established rules and regulations.
- B. The claimant or Administrator may engage the services of physicians or experts for hearing purposes at the respective parties' costs which are not reimbursable regardless of the ultimate outcome of the dispute. The opinions of such consultants will be considered in a contested case, notwithstanding the provisions of this Code limiting the outside or unauthorized treatment.

The Tribal Business Council reserves the right to modify or terminate this program at any time without notice.

CHAPTER 24 - RESERVATION WATER QUALITY AND WATER USE PROTECTION
IMPLEMENTATION AND ENFORCEMENT OF TRIBAL WATER QUALITY STANDARDS
LEGISLATIVE FINDINGS AND INTENT

Water has long been of great importance to the Kalispel Tribe of Indians and its ancestors. Even before the Kalispel Indian Reservation was established alongside the Pend Oreille River, the Kalispels were known as the "water people," or "river people." From time immemorial, they utilized the Clark Fork and Pend Oreille Rivers and its tributaries for fishing, hunting, gathering, religious and cultural purposes, and transportation. Preserving, restoring, and enhancing the surface and ground water resources of the Reservation are of prime importance to the Kalispel Tribe of Indians.

Within the Kalispel Indian Reservation, the tribe holds exclusive fishing and hunting rights. Water rights are reserved pursuant to the Winters doctrine and extend to the rivers and streams flowing through and alongside the reservation, as well as to ground water. The Kalispel Tribe has a federally protected right to a quantity and quality of water sufficient to meet the Reservation's purposes, which encompass, among other uses, the protection of traditional tribal fisheries and wildlife resources.

The Pend Oreille River, which occupies Indian trust land within the Reservation, is currently designated a Class A water by the State of Washington. Cee Cee Ah Creek, which flows through the Reservation and national forest lands, is designated by the State as Class AA as it enters the Reservation. Calispel Creek, which flows through the Reservation, is designated Class A as it enters the Reservation. The Kalispel Natural Resources Department (KNRD) regularly samples water quality in several tributaries of the Pend Oreille River.

While tribal members still use the Pend Oreille River system to take fish, wildlife, and for gathering and other purposes, their uses are clearly impaired by degradation of Reservation waters. Through the establishment of its own water quality standards and the adoption of laws such as this to implement and enforce those standards, the Tribe hopes to protect and restore on-reservation water quality.

Nothing in this chapter shall be deemed to excuse compliance with any applicable, mandatory federal or state law or procedure, as currently in effect or subsequently amended, including but not limited to the federal Clean Water Act, its implementing regulations, and the reserved fishing, hunting, water, and other Indian rights and protections under federal law.

SECTION 24-1: DEFINITIONS

24-1.01 DEFINITIONS

- (1) "Clean Water Act" (or, "CWA") means the Federal Water pollution Control Act, codified at 33 U.S.C. § 1251 et seq.

- (2) "EPA" means the United States Environmental Protection Agency.
- (3) "Mixing Zone" or "dilution zone" means a limited area or volume of water where initial dilution of a discharge takes place; and where numeric water quality criteria can be exceeded but acutely toxic conditions are prevented from occurring. In conjunction with the issuance of §402 and §404 permits pursuant to the CWA, the Tribe or the Regional Administrator may designate mixing zones in the waters of the Reservation on a case-by-case basis.
- (4) "Person" includes an individual, corporation, partnership, association, State, public utility district, any municipality, commission, any political subdivision of a State, and any interstate body. In addition, including in this definition are all other persons or entities subject to the sections of the Clean Water Act, which the Tribe has been granted authority to implement.
- (5) "Project" refers to any activity within the Reservation which may impact Reservation water quality, including but not limited to the construction or operation of a facility.
- (6) "Project Analysis" means the determination of site specific and/or cumulative environmental impacts or proposed projects.
- (7) "Reservation" means the Kalispel Indian Reservation, established by President Woodrow Wilson's executive order of March 23, 1914, No. 1904, and any additional lands acquired in trust status for the Tribe or otherwise made part of the Reservation, provided that for purposes of implementing and enforcing the Tribe's water quality standards pursuant to authorization from the Environmental Protection Agency, "reservation" shall be deemed to include only those lands to which the EPA approval applies.
- (8) "Tribal Council" means the governing body of the Kalispel Tribe of Indians, as organized under the Constitution and Bylaws of the Tribe, also known as the Business Committee.
- (9) "Triennial Review Process" refers to the process required by §303(c) (1) of the Clean Water Act, which requires that the Tribe shall, from time to time, but at least once every three years, hold public hearings to review applicable water quality standards and, as appropriate, modify those standards and/or adopt new standards. The public will be notified of the initial adoption of water quality standards to be implemented and enforced under the CWA and will also be notified of proposed changes. The public shall be provided with the opportunity to comment. The tribe will follow guides provided in Chapter 6 "Procedures for review and revision of Water Quality Standards" from EPA's Water Quality Standards Handbook to conduct all triennial reviews, or any EPA revisions thereto.
- (10) "Waters of the Reservation" means all rivers, lakes, streams and other bodies of water, including both surface and ground water, within the Kalispel Indian Reservation, including lands acquired

since the 1914 Executive Order and held in trust for the Tribe or its members. As to any exercise of authority under the Clean Water Act, approved by EPA, the Tribe shall limit the exercise of that authority to the waters and reservation lands encompassed within EPA's approval and to the extent permissible under the CWA. This definition does not exclude wetlands and ephemeral waters, except to the extent such exclusion is required by applicable federal law.

SECTION 24-2 LANDS AND WATERS TO WHICH THESE PROVISIONS APPLY

24-2.00 LANDS AND WATERS TO WHICH THESE PROVISIONS APPLY

The provisions of this Chapter shall apply to all lands and waters within the Kalispel Indian Reservation, except as otherwise provided in this Chapter or by federal law.

SECTION 24-3: JURISDICTION

24-3.01 JURISDICTION

The Tribe has inherent sovereign authority to govern facilities, activities, or other projects within the Reservation, or causing a discharge in or other potential adverse impact to Reservation waters. This inherent tribal sovereignty has been delegated to the Tribal Council through the Tribal Constitution.

24-3.02

The Tribe may administer provisions of the Clean Water Act pursuant to 33 D.S.C. §1377(e), to the extent approved by EPA.

PART ONE ADOPTION, IMPLEMENTATION, AND ENFORCEMENT OF TRIBAL WATER QUALITY STANDARDS

SECTION 24-4: ANTI-DEGRADATION POLICY AND IMPLEMENTATION

24-4.01 ANTI-DEGRADATION POLICY AND IMPLEMENTATION

The Tribal Council hereby adopts the following anti-degradation policy:

This Anti-Degradation Policy shall be applicable to all waters of the Reservation. The purpose of the Anti-Degradation Policy is to guide decisions that affect water quality so as to prevent degradation from point and non-point sources of pollution and protect, maintain, and enhance existing surface water quality to protect all existing beneficial uses identified in the Tribe's water quality standards, and as consistent with this Chapter and other applicable law. This Anti-Degradation Policy does not preclude more stringent tribal protections. KNRD shall be responsible for reviewing and updating appropriate information on fish and wildlife species, fish and wildlife habitat, critical life stages, and other uses or potential uses of Reservation waters in carrying out this Anti-Degradation Policy, in order to ensure that

such uses are protected.

The Anti-Degradation Policy consists of the following three tiers:

Tier 1:

Existing in-stream water uses and the level of water quality necessary to protect the existing uses shall be maintained and protected.

Tier 2:

Where the quality of the waters exceeds assigned criteria, that quality shall be maintained and protected unless the Tribe finds, after full satisfaction of the inter-governmental coordination and public participation provisions, and consistent with tribal priorities, policies, plans and other tribal objectives for Reservation waters, that:

- (1) allowing lower water quality is necessary to accommodate important economic or social development in the area in which the waters are located;
- (2) in allowing such degradation or lower water quality, the Tribe shall assure water quality adequate to protect existing uses fully;
- (3) lowering water quality will support all existing beneficial uses, identified in the Tribe's water quality standards or consistent with this chapter and other applicable law, and that will not violate site specific criteria, or other applicable criteria;
- (4) lowering a water quality standard for a specific economic or social development purpose shall not authorize other users or dischargers to increase their loading or impair any Indian rights under federal law; and
- (5) all wastes and other substances discharged will be treated and controlled to achieve:
 - (A) the highest statutory and regulatory requirements for all new and existing point sources; and
 - (B) all cost-effective and reasonable best management practices for non-point sources; and
 - (C) such other requirements set by the Tribe in furtherance of this chapter.

Tier 3:

Where high quality waters are identified as constituting or being a part of an outstanding national, state, or Reservation resource, such waters within areas designated as unique water quality management areas and waters otherwise of exceptional recreational, ecological, cultural, or religious significance, these waters may be classified as "Outstanding Resource Waters of the Reservation," in order to maintain and protect that water quality. This classification shall be made as further provided in §8 below.

In those cases where potential water quality impairment associated with a thermal discharge is involved, this Anti-Degradation Policy's implementing method shall be consistent with Section 316 of the Clean Water Act and this Chapter.

24-4.02

EPA's process guidelines shall be utilized in implementing the policy statements listed in the Tribe's Water Quality Standards and this Chapter.

SECTION 24-5: KALISPEL TRIBAL WATER CONTROL BOARD ESTABLISHED

24-5.01 KALISPEL TRIBAL WATER CONTROL BOARD

The Tribal Council hereby establishes the Kalispel Water Control Board. The Water Control Board ("Board") shall consist of three persons appointed by the Tribal Council. No person shall be appointed to the Board who does not have knowledge related to water quality matters which the Council deems sufficient to qualify him or her to serve. At least two of the three persons appointed to the Board shall be members of the Kalispel Tribe of Indians. Each member shall serve a term of three years, provided that the first Board members shall have staggered terms, with one of the first Board members being appointed for one year, two for two years, and two for three years. Any board member may be reappointed for such additional number of terms as the Council deems appropriate. The Council may remove any Board member whom the Council determines he or she is not carrying out the Board's responsibilities in an appropriate manner. The Council may also replace Board members who resign their position.

24-5.02

The Tribal Council hereby delegates the oversight responsibility for implementing and administering this Chapter to the Board. The Board's specific responsibilities for the management of the water resources within the Kalispel Indian Reservation are as set forth in this Chapter.

- (1) The Water Control Board shall be responsible and accountable for implementing and enforcing all tribal water quality standards and beneficial use and treatment criteria, adopted by the Kalispel Tribal Council, and other water resource protections provided in this Chapter. This involves overseeing the implementation and enforcement of such criteria as designated water uses, effluent limitations, water quality related effluent limitations, water quality standards and implementations plans, national standards of performance for new sources, and toxic and pretreatment effluent standards.
- (2) The Board shall oversee the monitoring of all activities affecting water quality within the Reservation, including those off-reservation activities which it deems appropriate to monitor.

- (3) The Board shall review all proposed projects within the Reservation. Before any project within the Tribe's jurisdiction is constructed, operated, or otherwise commenced, there shall be an application submitted first to the Kalispel Natural Resources Department (KNRD), which shall provide a copy with KNRD's evaluation and recommendations to the Board, when so required by section 9. The application shall detail the project and document potential impacts on water quality and water quantity, as provided in §8 of this Chapter.
- (4) The Board is charged with ensuring that neither Reservation water quality nor water quantity is impaired.
- (5) The Board shall review all matters pertaining to Reservation water resources; make recommendations to the Tribal Council regarding the need for tribal action through tribal law enforcement, change in tribal law or other appropriate measures of importance to the Tribe; and otherwise carry out the responsibilities given the Board and KNRD under this Chapter. In developing all future resource management plans, an integrated planning approach shall be followed.
- (6) The Board shall also establish, and amend as it deems appropriate, a schedule of application fees for the various types of applications required under this Chapter. The fees shall be reasonably related to the expense of governmental administration in processing an application and implementing and enforcing this Chapter, including establishing and maintaining the tribal resources needed to do so.

SECTION 24-6: ROLE OF KALISPEL NATURAL RESOURCES DEPARTMENT IN REGARD TO WATER RESOURCES PROTECTION.

24-6.01

In addition to any other of its powers and responsibilities, the Kalispel Natural Resources Department (KNRD) shall have a direct administrative, implementation, and enforcement role under this Chapter in regard to the protection and enhancement of Reservation waters. The KNRD shall enlist the aid of authorized tribal enforcement officers and such other enforcement agencies with jurisdiction over a project, as needed in the enforcement of this Chapter. In regard to this Chapter the KNRD shall perform the following functions, as well as such other duties as the Board delegate or direct:

- (1) Review matters pertaining to water resources of importance to the Tribe and make water resource management recommendations to the Board and/or Tribal Council, as provided by this Chapter. The KNRD shall propose changes or other improvements in water policy and shall develop and recommend approval of a water resources management plan or any appropriate amendments thereto.
- (2) The KNRD is responsible for reviewing and updating appropriate information on fish (and wildlife when appropriate) species, habitat and critical life stages, in addition to reviewing and updating

information on other water uses and conditions, to determine specific stream reach designation. Any areas which have not been designated because of insufficient information or resources should be identified. Water Quality Standards for these stream reaches will be reviewed and approved in the Triennial review process, if not done sooner.

- (3) The KNRD will assist the Board and Tribal Council in ensuring that the fish, wildlife, and aquatic resources of the Reservation are protected by the adopted Water Quality Standards, Beneficial Uses and Treatment Criteria. The information gathered will be utilized, as needed, to determine or re-evaluate which specific water quality standards apply in each specific water body or stream reach on the Reservation.
- (4) The KNRD shall be responsible for monitoring and managing natural resources of importance to the Tribe and providing technical assistance to the Board and Tribal Council.

SECTION 24-7: INTERGOVERNMENTAL COOPERATION AND COORDINATION

24-7.01

Because of the transitory nature of water and the provisions in the Clean Water Act for tribal, federal and state authority under the Act, it is both desirable and necessary that there be close intergovernmental cooperation and coordination to ensure successful implementation of the CWA. This is particularly important in instances where both the State of Washington and the Tribe hold jurisdiction over portions of the same water bodies or courses. It is the policy of the Tribe that it will seek cooperative approaches as appropriate with state, federal and/or local governmental bodies to carry out their respective obligations in a cooperative manner, consistent with applicable state, federal, and tribal law policies.

SECTION 24-8: CLASSIFICATION OF OUTSTANDING RESOURCE WATERS WITHIN THE RESERVATION.

24-8.01

Special protection shall be maintained for waters for which typical beneficial use classification may not be sufficient to protect those waters designed as extraordinary resource waters, or critical habitat areas. Such waters shall be classified as "Outstanding Resource Waters of the Reservation," in accordance with the provisions of §4.01, Tier 3, above.

24-8.02

Outstanding Resource Waters of the Reservation shall be designated by the KNRD using the following characteristics:

- (1) Outstanding hydrologic and hydro-geologic values. These include high water quality (low turbidity, low nutrient levels, high dissolve oxygen levels, and unique temperature regimes, among others),

consistent sustained flow levels, riparian stability, unique habitat conditions, and unique hydro geologic conditions.

- (2) Archaeologically and/or culturally significant areas. Areas indicating prehistoric and/or present use by indigenous people for traditional, religious, or other cultural use.
- (3) Unique ecology of the water resource. This includes the presence of unique plants, vegetative associations, and habitat.
- (4) Unique fishery resource. This includes the presence of a variety of species (past, present, or potential) in a water resource; the stability and productivity of the fishery habitat are also important characteristics.
- (5) Quality and diversity of wildlife habitat and species. This may, but need not, include the presence of species listed under the Endangered Species Act.
- (6) Unique landscape features. This includes diversity of views, lack of disturbance to natural conditions, and other aesthetic characteristics.
- (7) Recreational values. This includes allowing participation in a full spectrum of recreation activities. Recreational values shall include tribal recreational activities as well as activities characteristic of a wider population.

24-8.03

The KNRD or Board may commission studies necessary to determine "Outstanding Resource Waters of the Reservation," and shall follow the integrated planning process, referred to in §5.02(e), in such cases.

24-8.04

Approval of waters to be classified as "Outstanding Resource Waters of the Reservation" shall be made by the Board.

24-9: GENERAL APPLICATION REQUIREMENTS FOR PROJECT PERMITS, VARIANCES, OR CERTIFICATION.

24-9.01

The following information shall be provided as part of any application required for a permit, variance, or certification under this Chapter. The KNRD may also propose for adoption by the Board procedures to grant short-term project modifications that may impact water quality. Additional requirements regarding certification requests are set forth in Part II of this Chapter. The applicant shall provide such additional information as the KNRD determines is needed for a proper assessment of potential water quality and quantity impacts. The KNRD may reject any application as incomplete if KNRD determines it does not adequately address these information requirements. When the application is determined to be complete,

KNRD shall refer it to the Board along with KNRD's evaluation and recommendation. The KNRD may prescribe forms to be used for each application type: tribal water quality protection permit request; variance request; and request for CWA §401 certification. Each application shall be signed by the applicant and contain at least the following information;

- (1) Name and address of the project owner
- (2) Name and address of owner's designated official representative, if any;
- (3) A description of the project location sufficient to locate and distinguish the proposed project from other facilities or activities; in the case of a request for a tribal certification, a description of the off-Reservation real property impacted by the activity or facility for which a certification is sought must be provided.
- (4) Names and addresses of immediately adjacent property owners, including both fee title and beneficial owners;
- (5) A complete description of the project proposal, using written narrative, maps, diagrams, and any other materials as needed to provide a complete understanding of the nature and scope of the facility or activity;
- (6) A complete description of the discharge involved in the project for which a permit, variance, or certification is sought; all discharges, which may result from the conduct of any activity including, but not limited to, the construction or operation of a facility, shall be fully described. The description shall include the biological, chemical, thermal, volumetric and other characteristics of the discharge and the location or locations at which such discharge may enter navigable waters;
- (7) Name or description of water(s) of the Reservation, as defined in §1.10 above, into which the discharge(s) would be made and the specific location or locations at which the discharge(s) might enter Reservation waters. A Governmental stream identification and/or mapping deemed sufficient by KNRD should be provided;
- (8) Copies of any environmental background information require by another licensing or permitting agency or such other environmental background information as may be necessary to demonstrate that the proposed project will comply with tribal water quality requirements;
- (9) Copies of any public notice or supporting information, issued by another licensing or permitting agency for the project or activity;
- (10) A plan which contains:
 - (A) A description of the function and operation of equipment or facilities to treat wastes or other effluents which may be discharged, including specification of the degree of treatment expected to

be attained;

- (B) The date or dates on which the project would begin and end, if known, and the date or dates on which the discharge will take place;
- (C) A description of the methods and means being used or proposed to monitor the quality and characteristics of the discharge and the operation of equipment or facilities employed in the treatment or control of wastes or other effluents;
- (D) And exhibit which identifies and describes any applicable requirements of other agencies which may have a direct or indirect relationship to Reservation water quality;
- (11) An affirmative statement that the activity will be conducted in a manner which will not violate applicable federal, tribal or state water quality standards;
- (12) A signed consent to the Tribe's enforcement of the permit, variance, or certification requirements and conditions in regard to the activity, subject to the review procedures afforded by this Chapter;
- (13) Such additional information as KNRD or the Board deems necessary to properly evaluate a project's potential impacts on water quality.

24-9.02

Each application must be accompanied by the application fee set by the Board.

24-9.03

KNRD shall review and evaluate each application and, when KNRD deems the application complete, it shall provide its assessment and recommendation to the Board. The Board may then approve, deny, or approve the application, subject to certain conditions.

SECTION 24-10: TRIBAL WATER QUALITY PROTECTION PERMIT.

24-10.01

Except as otherwise provided by federal law, a tribal water quality protection permit, issued by the Board, is required for any project that the KNRD determines may impact water quality within the Reservation. Impacts on water quantity and flow may impact water quality. The Director of the KNRD, or his designee, is responsible for ensuring that all recommendation to the Board.

SECTION 24-11: NPDES/DREDGE AND FILL APPLICATIONS - DETERMINATION OF APPROPRIATENESS OF MIXING ZONE.

24-11.01

Whether or not the Tribe is the decision-maker in regard to a §402 (NPDES) or §404 (dredge and fill) CWA permit application, KNRD, subject to approval by the Board, will make a determination or recommendation as to the appropriateness of establishing any mixing zone within any Reservation

waters, in regard; to a project or projects. In order for the Tribe to make this determination, the applicant shall apply for a Tribal water quality protection permit under this Chapter. The size of such mixing zones and the in-zone water quality in such mixing zones shall be consistent with the applicable procedures and guidelines in EPA's Water Quality Standards Handbook and the Technical Support Document for Water Quality Based Toxic Control and subsequent EPA updates of the handbook and technical support documents. Tribally designated mixing zones shall also comply with the mixing zone provisions of the Tribe's Water Quality Standards.

SECTION 24-12: VARIANCE AND INTERPRETATION OF WATER QUALITY STANDARDS

24-12.01

The Board shall be responsible for interpreting narrative water quality criteria based information and opinions provided by KNRD. The Board shall also be responsible for determining if any variance to a specific water quality standard will be permitted; provided that any such variance shall be consistent with the provisions of the Anti-Degradation policy and the achievement of tribal water quality standards, as well as other provisions of this Chapter. In making these determinations, the Board shall obtain the recommendation of the KNRD as to the potential impact of the proposed Tribe's Anti-Degradation Policy, as well as other water resource objectives. Prior to a decision on a variance request, the applicant shall satisfy all information requirements for applications under this Chapter and the Board shall obtain a report and recommendation on the variance from the KNRD.

SECTION 24-13: APPEALS/HEARINGS

24-13.01

Permit and variance decisions of the Board made under this Chapter may be appealed, by any affected person, to the Tribal Council. An appeal must be made in writing within 20 days of the date of the disputed decision.

24-13.02

The appeal shall describe the action complained of the grounds on which the appeal is based. It shall be filed with the Council's secretary identifies.

24-13.03

Any affected person has the right to request a rehearing before the Water Control Board prior to appealing to the Tribal Council, in accordance with such procedures as the Board may establish.

24-13.04

The decision of the Tribal Council on appeal shall be final and binding to all parties.

Any public hearing or hearing on appeal provided for in this Chapter whether to the Tribal Councilor to the Water Control Board, may be assigned for hearing to a tribal court judge or other hearing officer, if the Tribal Council has so authorized. The appellant shall be advised in writing as to the body or hearing officer assigned to hear his appeal. The hearing officer shall conduct the hearing, make any pertinent findings of fact, and recommend a disposition to the Councilor Board. The Board of Tribal Council may adopt rules regarding the conduct of any type of hearing.

SECTION 24-14: ENFORCEMENT.

24-14.01

The Water Control Board may authorize the inspection, monitoring, and entry with respect to Reservation facilities or activities for which a permit, variance, or certification has been applied for or issued.

under clause (1); and may sample any effluents which the owner or operator of such facility is required to sample under clause (1) of this subsection.

24-14.03

Any records, reports, or information obtained under this section:

- (1) shall, in the case of effluent data, be related to applicable effluent limitations, toxic, pretreatment, or new source performance standards, and
- (2) shall be available to the public, except that upon a showing satisfactory to the Water Control Board by any person that records, reports, or information, or a particular part thereof (other than effluent data), to which the Water Control Board has access under this section, if made public would divulge methods or processes entitled to protection as trade secrets of such person, the Board shall consider such record, report or information, or particular portion thereof confidential.

24-14.04

Nothing in this subsection shall prohibit the Water Control Board or its authorized representative from disclosing records, reports, or information to other officers, employees, or authorized representatives of the Tribe concerned with carrying out this chapter or when relevant in any proceeding under this chapter.

Where the Board believes a tribal certification, permit or variance may be required for a particular facility or activity within the Tribe's jurisdiction, the Board may inspect such facility or activity for the purpose of reviewing the manner in which such facility or activity will be or is being constructed, operated, or conducted. The inspection shall be conducted in a similar manner as that provided for in §14 and shall specifically determine whether such facility or activity:

- (1) may or does result in any discharge to any Reservation waters and/or
- (2) may or does violate applicable tribal water quality standards.

24-15.02

If the Board, after such inspection, determines that the facility or activity may or does result in any

discharge to waters of the Reservation or mayor does violate applicable tribal water quality standards, the Board shall take appropriate action, including but not limited to notifying the applicant and the licensing or permitting agency of the situation and the Board's recommendations for remedial measures.

Such civil penalty shall not exceed the sum of \$5000.00 for each day that such violation continues. The procedures governing the adjudication in Tribal Court of such violations shall be those set forth in Tribe's Law and Order Code. The Tribal Council hereby finds that such civil penalties are reasonably related to the administrative expenditures necessary to maintain the Tribe's health, welfare, and economic security, through the management, protection and development of natural resources on the Reservation.
- (2) In determining the amount of a civil penalty, the Tribal Court shall consider the nature, circumstances, extent and gravity of the violation or violations, and, with respect to the violator, the

economic benefit (if any) resulting from the violation, any history of such violations, any good faith efforts to comply with the applicable requirements, the adverse economic impact of the penalty, and such other matters as justice may require.

PART TWO
TRIBAL IMPLEMENTATION AND ENFORCEMENT OF CLEAN WATE ACT §401 CERTIFICATION
AUTHORITY

SECTION 24-21: §401 CERTIFICATION APPLICATIONS TO BE FILED WITH AND REVIEWED BY
KNRD.

24-21.01

As a matter of federal law, no federal license or permit shall be granted until the appropriate certification of compliance with applicable water quality standards has been obtained or waived. No federal license or permit shall be granted if the necessary certification has been denied. All applications to the Tribe for certification pursuant to §401 of the CWA shall conform to the requirements of §9 of this Chapter and shall be submitted to the KNRD. In addition to the certification application, all correspondence, notifications, and other documents with regard to any §401 water quality certification application for the project to any state, federal agency, and the Tribe shall be transmitted to the KNRD. The KNRD shall be responsible for processing, reviewing, and evaluating all certification requests. The KNRD shall also be responsible for preparing proposed or recommended certification decisions. In addition to the information required in §9 of this Chapter, certification applications shall include such additional information as may be pertinent to the following considerations, and any additional information deemed applicable to KNRD and/or specified in 40 CFR Part 121 or any amendment thereto. As to any application KNRD determines to be complete, KNRD shall provide the Board a report and recommendation. A copy shall be provided to the applicant.

24-21.02

In evaluating a certification application, KNRD shall consider:

- (1) Existing and potential beneficial uses of surface or groundwater which could be affected by the proposed facility;
- (2) Potential water related impacts from the generation and disposal of waste chemicals or sludges at a proposed facility;
- (3) Potential modification of surface water quality or water quantity as it affects water quality;
- (4) Potential modification of groundwater quality;
- (5) Potential impacts from the construction of intake or outfall structures;
- (6) Potential impacts from waste water discharges;
- (7) Potential impacts from construction, activities;
- (8) The project's compliance with tribal water quality standards and with the applicable provisions of the CWA.

SECTION 24-22: REVIEW PROCESS.

24-22.01

The KNRD shall notify the applicant by certified mail of the date KNRD has determined the application to be complete or incomplete. If determined incomplete, the notice shall identify the additional information required.

24-22.02

In order to inform potentially affected persons of the application, the KNRD shall prepare and publish or circulate a public notice of each certification request, in the county where the activity is to be located. Notice shall be mailed to interested State, County, and municipal authorities, heads of State agencies responsible for water quality improvement, and other parties known to be interested in the matter, including adjacent property owners and conservation organizations. In the alternative, such notice may be provided by publication in a newspaper of general circulation in the area in which the facility or activity is proposed to be conducted if the KNRD deems mailed notice to be impracticable. Interested parties shall be provided an opportunity to comment, shall encourage comments by affected parties, and shall identify any related documents available for public inspection and copying. The KNRD shall provide a period of not less than 30 days following the date of issuance of the public notice, during which time interested persons may submit written comments. All comments received during the 30 day period shall be considered in formulation the Board's decision. All interested and affected parties will be given a reasonable opportunity to present evidence and testimony at a public hearing n the question whether to grant or deny certification, if the KNRD determines that such a hearing is necessary or appropriate.

24-22.03

The KNRD shall provide an opportunity for the applicant or any affected agency, person, or group to request a public hearing with respect to the certification application. If the KNRD determines that new and useful information may be produced thereby, a public hearing will be held prior to the Board's final determination. There shall be public notice of such hearing. All affected parties will be given a reasonable opportunity to present evidence and testify at the public hearing.

24-22.04

Once the full membership of the Board has been appointed, the Tribal Council may declare, by resolution, that the Board shall constitute the Kalispel Tribe's certifying agency, as defined in 40 C.F.R. §121.1(e), provided that the KNRD need not await this Council declaration to perform the tribal certification-related functions within its authority which are preliminary to a certification decision by the

Board. Within 120 days after an application is deemed complete, the Water Council Board shall serve written notice upon the applicant that the certification is granted, granted subject to certain conditions, or denied, or that a further specified time period is required to process the application. Written notice shall be served by sending such notice by certified mail to the address of the applicant as shown in the application. Any extension of time shall not exceed one year from the date of filing a completed application, or such other deadline for providing a certification decision to the federal licensing or permitting agency.

SECTION 24-23: DETERMINATION OF §401 CERTIFICATION APPLICATION - GRANTS OF CERTIFICATION.

24-23.01

Grant Of Certification With Or Without Conditions

Until reversed or modified as a result of this review, the certification as issued by the Water Control Board shall remain in full force and effect.

24-23.04

Waiver of Certification. If the Water Control Board fails or refuses to act on a request for certification,

within one year after receipt of such request or such other period within which a certification decision must be provided to the federal permitting or licensing agency, the certification requirements of this Chapter and §401 of the Clean Water Act shall be waived with respect to the application for the federal license or permit.

SECTION 24-24: DENIAL OF CERTIFICATION.

24-24.01

Failure to complete an application or provide any requested additional information within the time specified in the request may be grounds for denial of certification.

In the absence of a provision fixing the number or proportion of members entitled to call a meeting, a special meeting of members may be called by members having at least one-twentieth (1/20) of the votes to the cast at such meeting.

30-2.13 NOTICE OF MEETING MEMBERS

No proxy shall be valid after eleven (11) months from the date of its execution, unless otherwise provided in the proxy. Where the articles of incorporation or the by-laws so provide, voting on all matters including the election of directors or officers where they are to be elected by the members may be conducted by mail.
- (3) The articles of incorporation or the by-laws may provide that in all elections for directors every member entitled to vote shall have the right to cumulate his vote and to give one candidate a number of votes equal to his vote multiplied by the number of directors to be elected or by distributing such votes on the same principle among any number of such candidates.

- (2) Unless otherwise provided by the articles of incorporation or the by-laws, the members present at a duly organized meeting may continue to do business until adjournment notwithstanding the withdrawal of enough members to leave less than a quorum.
- (3) If a meeting cannot be organized because a quorum has not attended, those present may adjourn the meeting from time to time until a quorum is present.

30-2.16 BOARD OF DIRECTORS

The affairs of a corporation shall be managed by a Board of Directors. Directors need not be residents of the Reservation or members of the corporation unless the articles of incorporation or the by-laws so require. The articles of incorporation or the by-laws may prescribe other qualifications for directors.

30-2.17 NUMBER, ELECTION, CLASSIFICATION, AND REMOVAL OF DIRECTORS

- (1) The number of directors of a corporation shall be not less than three. Subject to such limitation, the number of directors shall be fixed by the by-laws, except as to the number of the first Board of Directors, which number shall be fixed by the articles of incorporation. The number of directors may be increased or decreased from time to time by amendment to the by-laws unless the articles of incorporation provide that a change in the number of directors shall be made only by amendment of the articles of incorporation. No decrease in number shall have the effect of shortening the term of any incumbent director. In the absence of a by-law fixing the number of directors, the number shall be the same as that stated in the articles of incorporation.
- (2) The names and addresses of the members of the first Board of Directors shall be stated in the articles of incorporation. Such persons shall hold office until the first annual election of directors or for such period as may be specified in the articles of incorporation or the by-laws. Thereafter, directors shall be elected or appointed in the manner and for the terms provided in the articles of incorporation or the by-laws. In the absence of a provision fixing the term of office, the term of office of a director

shall be one (1) year.

- (3) Directors may be divided into classes; the terms of office of the several classes need not be uniform. Each director shall hold office for the term for which he is elected or appointed and until his successor shall have been elected or appointed and qualified, except in the case of ex officio directors.
- (4) A director may be removed from office pursuant to any procedure therefore provided in the articles of incorporation or the by-laws, and if none be provided, may be removed at a meeting called expressly for that purpose, with or without cause, by such vote as would suffice for his election.

30-2.18 VACANCIES

Any vacancy occurring in the Board of Directors and any directorship to be filled by reason of an increase in the number of directors may be filled by the affirmative vote of a majority of the then members of the Board of Directors, though less than a quorum of the board, unless the articles of incorporation or the by-laws provide that a vacancy or directorship so created shall be filled in some other manner, in which case such provision shall control. A director elected or appointed, as the case may be, to fill a vacancy shall be elected or appointed for the unexpired term of his predecessor in office.

30-2.19 QUORUM OF DIRECTORS

A majority of the number of directors fixed by the by-laws, or in the absence of a by-law fixing the number of directors, then of the number stated in the articles of incorporation shall constitute a quorum for the transaction of business, unless otherwise provided in the articles of incorporation, or the by-laws, but in no event shall a quorum consist of less than one-third (1/3) of the number of directors so stated or fixed. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, unless the act of a greater number is required by this Code or by the articles of incorporation or by-laws.

30-2.20 COMMITTEES

If the articles of incorporation or the by-laws provide, the Board of Directors, by resolution adopted by a majority of the directors in office, each of which shall consist of two or more directors, which committees, to the extent provided in said resolution, in the articles of incorporation or in the by-laws of the corporation, shall have and exercise the authority of the Board of Directors in the management of the corporation. Other committees not having the exercising authority of the Board of Directors in the management of the corporation may be designated and appointed by resolution adopted by a majority of the directors present at a meeting at which a quorum is present. The designation and appointment of any

such committee and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any individual director, of any responsibility imposed upon it or him by law.

30-2.21 PLACE AND NOTICE OF DIRECTOR'S MEETINGS

Meetings of the Board of Directors, regular or special, may be held at such place within or without the Reservation, and upon such notice as may be prescribed by the by-laws, or where not inconsistent with the by-laws, by resolution of the Board of Directors. A director's attendance at any meeting shall constitute a waiver of notice of such meeting, excepting such attendance at a meeting by the director for the purpose of objecting to the transaction of business because the meeting is not lawfully called or convened.

Neither the business to be transacted, nor the purpose of any regular or special meeting of the Board of Directors need be specified in the notice or waiver of such notice, of such meeting, unless otherwise provided in the articles of incorporation or the by-laws.

30-2.22 OFFICERS

- (1) The officers of a corporation shall consist of a president, a secretary, and a treasurer, and may include one or more vice-presidents, and such other officers and assistant officers as may be deemed necessary, each of whom shall be elected or appointed at such time and in such manner and for such terms not exceeding three (3) years as may be prescribed in the articles of incorporation or the by-laws. In the absence of any such provision, all officers shall be elected or appointed annually by the Board of Directors. If the by-laws so provide, any two or more offices may be held by the same person, except the offices of president and secretary.
- (2) The articles of incorporation or the by-laws may provide that any one or more officers of the corporation or other organizations shall be ex officio members of the Board of Directors.
- (3) The officers of a corporation may be designated by such other titles as may be provided in the articles of incorporation or the by-laws.
- (4) All officers and agents of the corporation, as between themselves and the corporation, shall have such authority and perform such duties in the management of the property and affairs of the corporation as may be determined by resolution of the Board of Directors not inconsistent with the by-laws.

30-2.23 REMOVAL OF OFFICERS

Any officer or agent elected or appointed may be removed by the persons authorized to elect or appoint such officer or agent whenever, in their judgment, the best interest of the corporation will be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so

removed. Election or appointment of an officer or agent shall not itself create contract rights.

30-2.24 BOOKS AND RECORDS

Each corporation shall keep correct and complete books and records of account and shall keep minutes of the proceedings of its members, Board of Directors, and committees having any of the authority of the Board of Directors; and shall keep at its registered office or principle office on the Reservation, a record of the names and addresses of its members entitled to vote. All books and records of a corporation may be inspected by any member having voting rights, or his agent or attorney for any proper purpose at any reasonable time.

30-2.25 SHARES OF STOCK AND DIVIDENDS PROHIBITED

A corporation organized under this Code shall not authorize or issue shares of stock. No dividend shall be paid and no part of the income of a corporation shall be distributed to its members, directors, or officers. A corporation may pay compensation, including pensions, in a reasonable amount to its members, directors, or officers for services rendered, may confer benefits upon its members in conformity with its purposes, and upon dissolution or final liquidation, may make distribution to its members or others as permitted by this Code.

30-2.26 LOANS TO DIRECTORS AND OFFICERS PROHIBITED

No loans shall be made by a corporation organized under this Code to its directors or officers. The directors of a corporation who vote for or assent to the making of a loan to a director or an officer of the corporation, and any officer participating in the making of such a loan, shall be jointly and severally liable to the corporation for the amount of such loan until the repayment thereof.

30-2.27 INCORPORATORS

- (2) It shall not be necessary to set forth in the articles of incorporation any of the corporate powers enumerated in this Code.
- (3) Unless the articles of incorporation provide that a change in the number of directors shall be made only by amendment to the articles of incorporation, a change in the number of directors made by amendment to the by-laws shall be controlling. Whenever a provision of the articles of incorporation is inconsistent with the by-law, the provision of the articles of incorporation shall be controlling.

30-2.29 FILING OF ARTICLES OF INCORPORATION

- (1) Duplicate originals of the articles of incorporation shall be delivered to the Tribal Secretary. The Tribal Secretary may by regulation set fees for filing articles and other filings under this Code.
- (2) If the Tribal Secretary finds that the articles of incorporation conform to law, they shall, when all fees and charges have been paid as under this Code prescribed:

A corporation organized under this Code shall in all matters be subject to the jurisdiction of the Kalispel Tribe of Indians and the Kalispel Tribal Court.

The directors calling the meeting shall give at least five (5) days notice thereof by mail to each director so named; which notice shall state the time and place of the meeting; provided, however, that if all the directors shall waive notice in writing and fix a time and place for said organization meeting, no notice shall be required of such meeting.
- (2) A first meeting of the members may be held at the call of the directors, or a majority of them, upon at least five (5) days notice, for such purposes as shall be stated in the notice of the meeting.

30-2.32 RIGHT TO AMEND ARTICLES OF INCORPORATION

A corporation may amend its articles of incorporation, from time to time, in any and as many respects as may be desired; provided that its articles of incorporation as amended contain only such provisions as might be lawfully contained in original articles of incorporation if made at the time of making such amendment.

30-2.36 EFFECT OF CERTIFICATE OF AMENDMENT

30-2.37 VOLUNTARY DISSOLUTION

A corporation may dissolve and wind up its affairs in the following manner:

- (1) Where there are members having voting rights, the Board of Directors shall adopt a resolution recommending that the corporation be dissolved and directing that the question of such dissolution be submitted to a vote at a meeting of members having voting rights, which may be either an annual meeting or a special meeting. A land use code for residential projects on Reservation lands in Pend Oreille County, WA shall take into account the rural nature of this part of the Reservation. Chapter 34 of the Kalispel Tribe Law and Order Code shall be reserved for the future development of applicable code for residential projects on Reservation lands in Pend Oreille County.

33-1.04 SOVEREIGN IMMUNITY

The sovereign immunity of the Kalispel Tribe is not in any way waived or limited by this Code, or by any civil suit commenced pursuant to this Title. Such sovereign immunity shall extend to the Tribe, its Tribal Business Committee, its corporations chartered under Section 17 of the Indian Reorganization Act of 1934, 25 USC Section 477, any subordinate organization or Kalispel governmental corporation chartered and duly empowered pursuant to Chapter 17 of the Kalispel Tribe Law and Order Code, as amended, and all Tribal officials, employees, staff, and agents, as to all actions taken in, or concerning, the administration or enforcement of this code, and as to all actions taken pursuant to authority of any

Tribal Court order authorized by this code.

33-1.05 RIGHT OF INTERPRETATION

Any difference in interpretation or application of these regulations, including the precise boundaries of any sub-area plan or Military Influence Areas, shall be resolved by the Tribal Business Committee (or it's designee), subject to the procedures established by the remainder of this Code.

33-1.06 LEASING AUTHORITY

Section 32-2.01 of the Kalispel Tribe Law and Order Code provides the legal authority for the Kalispel Tribe; its corporations chartered under Section 17 thereof, 25 USC Section 477; or any subordinate organization or Kalispel governmental corporation chartered and duly empowered pursuant to the Law and Order Code of the Kalispel Tribe of Indians, Chapter 17, as amended under Kalispel Resolution No. 2008-02, and approved by the Secretary, to enter into lease agreements for property on the Reservation.

33-1.07 SEVERABILITY

If any section, subsection, sentence, clause, phrase, or portion of this Code is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion(s) shall be deemed separate, distinct, and independent provision(s), and such holding shall not affect the validity of the remaining portions of the Code.

33-1.08 DEFINITIONS

For the purposes of this Code, certain words and terms are defined herein. The word “shall” is always mandatory. The word “may” or “should” is permissive, subject to the judgment of the Tribe or its authorized designee. The present tense includes the future, and the future the present. The singular includes the plural, and the plural the singular.

The following definitions shall only apply to the Land Use and Development Code. Terms not specifically defined below shall use definitions available in the Kalispel Law and Order Code.

- (1) “Construction and Development Permit” is a permit required for new construction or a change to an existing building or project resulting in more than 100 square feet of new construction.
- (2) “Construction” is the clearing, dredging, excavating, and grading of land and other activity associated with buildings, structures, or other types of real property such as bridges, dams, roads.
- (3) “Decibel” or “dB” is the measure of sound pressure or intensity.
- (4) “Development” is the process of adding improvements to a parcel of land, such as grading,

subdivisions, drainage, access, roads, buildings, and utilities.

- (5) "Gross Floor Area" is the total square feet of all floors and habitable interior spaces of a given structure or defined project area, including all stories, basements, mechanical rooms, and enclosed patios but excluding roof space not developed for the use of or accessible by tenants, occupants, or the general public.
- (6) "Interior Noise Level" is the average level of noise expressed in decibels (dB) experienced in any habitable room with exterior windows and doors closed.
- (7) "Kalispel Development Company" is a Tribally-chartered enterprise, devoted to development of Reservation lands for retail, commercial, industrial, and other uses, or improvement.
- (8) "Kalispel Development Review Board (KDRB)" is comprised of representation from the Tribe's Planning and Public Works Department and the Kalispel Tribal Economic Authority (KTEA). An at-large Tribal Business Committee Member may sit on this review board. Additionally, other local public officials or community members may be granted representation on KDRB when it is deemed appropriate by the Tribal Business Committee. The KTEA Board will be responsible for appointing individuals representing the departments listed above to the KDRB pursuant to Kalispel Tribal Business Committee Resolution 2015-02.
- (9) "Ldn" is a day-night average noise level which serves as a basic measure for quantifying noise exposure, namely the A-weighted noise level averaged over a 24-hour time period, with a 10 decibel penalty applied to nighttime (10:00 PM to 7:00 AM).
- (10) "Noise Contours" is a geographic interpolation of Aviation Noise Contours as established by the 2010 Fairchild Air Force Base Joint Land Use Study.
- (11) "Performance Zoning," in contrast to traditional zoning, performance zoning allows different uses to co-locate within a zone as long as the development achieves specified performance criteria and planning goals. In lieu of regulating land uses, performance zoning establishes neighborhood compatibility, transportation, open space and other standards that developments must meet.
- (12) "Reservation" means the Kalispel Indian Reservation as set apart by Executive Order of March 23, 1914, and all other lands, wherever located, owned by the Kalispel Tribe of Indians, including lands held in fee, or any interest in lands held by the Tribe, whether or not such lands or interests are held in trust for the Tribe by the United States, and any lands, wherever located, held in trust by the United States for a member or members of the Kalispel Tribe of Indians unless located on another

Federally Recognized Indian Tribe's Reservation and having already been determined by the Federal Government to be in "reservation" status as to a Tribe other than the Kalispel Tribe of Indians. All waterways, roadways, rights of way, public lands, lakes and streams located on the above described lands held by the Tribe or its members are considered Reservation lands, subject to applicable federal and Tribal laws and regulations. (Kalispel Law and Order Code Section 1-2.03)

- (13) "Residential projects" refers to the construction, maintenance, or development of single-family detached and duplex residences, attached or detached multi-family residential developments with fewer than 5 units, manufactured or mobile homes, outdoor and indoor storage, temporary residences, or agriculture.
- (14) "Substantial Completion" is the stage in construction/renovation of a project wherein the construction of a building or project is completed with all windows, doors, walls, treatments, mechanical equipment, facilities, utilities, paving, parking, etc. in place such that a determination of the occupancy requirements of this Code can be determined.
- (15) "Tribal Fee Property" are those lands owned by the Tribe directly; title of ownership is not held by the federal government.
- (16) "Tribal Trust Land" are those lands held by the federal government in trust for the Kalispel Tribe.

SECTION 33-2: PERMIT PROCEDURES

33-2.01 LAND USE PERMIT

Permits shall be issued by the Kalispel Development Company on behalf of the Kalispel Planning and Public Works Department. All proposed construction and developments requiring permit approval (Tiers I, II, or III) shall submit a complete land use permit application to the Kalispel Development Company. Three (3) complete sets of plans shall be submitted with a complete application for any project as well as any additional information required to determine consistency with this Code. In order to expedite and better understand the review process, it is recommended that applicants contact the Kalispel Development Company prior to submitting a complete application to discuss the proposed project. This may be accommodated through an in-person pre-development conference or through other forms of communication. Land use permit applications are available during regular business hours at the offices of the Kalispel Development Company.

33-2.02 REQUIRED SUBMITTALS FOR PERMIT REVIEW

Applicants shall supply adequate plans and specifications for proposed developments to ensure the

requirements of this Code would be met, including but not limited to:

- (1) Site Plan demonstrating compliance with Section III (Performance Zoning);
- (2) Lighting Plan (if applicable);
- (3) Construction/Improvement Plans;
- (4) Landscaping Plan (if applicable);
- (5) Geotechnical Analysis (if applicable);
- (6) Transportation Impact Analysis; and
- (7) Other Plans As Deemed Necessary

33-2.03 APPROVAL AUTHORITY FOR PERMITS

All construction and development permit applications required by this Code will be reviewed and approved by the Kalispel Tribe. There are three (3) tiers of review authority, as follows:

- (1) Tier I – projects that are less than 5,000 square feet in gross floor area (GFA). Tier I applications are reviewed administratively by the Kalispel Development Company, acting on behalf of the Kalispel Tribal Economic Authority (“KTEA”). The Kalispel Development Company can escalate Tier I approvals to Tier II or Tier III at its discretion.
- (2) Tier II – projects that are between 5,000 and 100,000 square feet in GFA. Tier II applications are reviewed by the Kalispel Development Review Board (KDRB). The KDRB can escalate Tier II approvals to Tier III at its discretion.
- (3) Tier III – projects that are greater than 100,000 square feet in GFA in size. Tier III applications are reviewed by the Tribal Business Committee or its designee.

33-2.04 PERMIT REVIEW

Once a complete application has been received by the Kalispel Development Company, the Tribe will work toward an expeditious review and approval/disapproval of a land-use permit. For Tier I and Tier II applications a decision will be made within 30 calendar days. For Tier III applications, a decision will be rendered within 45 calendar days. The Tribe will make an effort to review all applications as expeditiously as possible and will aim to comply with the above timeframes. However, it is understood that occasionally, due to unforeseen circumstances, such review times may exceed these timeframes.

- (1) Environmental Analysis. Any consideration for a permit under this Code will include environmental analysis and consideration required by Chapter 32 of the Kalispel Tribe Law and Order Code.
- (2) Utility Connections. It is the responsibility of the applicant to secure approval from service and utility providers for its project. A “will-serve” letter will be required by the Tribe from any service/utility provider prior to final approval of any land use permit. Confirmation of approval from local providers will be required prior to the issuance of a certificate of occupancy.
- (3) Construction Plan Review. Upon receipt of approval of the land-use permit, the applicant shall contract with a qualified individual/firm (as determined by the Tribe) or local municipal building department, at its sole cost to conduct plan review, and no work shall be undertaken unless and until Applicant shall have sufficiently demonstrated compliance of the requirements listed in Section 33-4.01 and Section 33-6 (if applicable).
- (4) Traffic Impact Review. The applicant shall contract with a qualified individual/firm (as determined by the Tribe), at its sole cost, to prepare reports demonstrating that traffic impacts will not cause levels of service to fall below accepted levels, and if such levels are impacted, propose mitigation to ensure levels of service are maintained.
- (5) Inspections. Applicant shall contract with a qualified firm (as determined by the Tribe) or local municipal building department, at its sole cost, to conduct periodic inspections of the improvements during construction, in accordance to all requirements listed in Section 33-4.01 and Section 33-6 (if applicable). Phased occupancy may be permitted, so long as Applicant shall have obtained the equivalent of a temporary certificate of occupancy for the space to be occupied. Applicant shall, upon substantial completion of construction of all improvements, deliver to the Tribe the equivalent of a final certificate of occupancy (replacing all temporary certificates of occupancy) issued by a qualified and certified inspection agency in a form acceptable to the Tribe in its reasonable discretion.
- (6) Project Completion. Following substantial completion of the project, and prior to tenant occupancy, the Tribe will conduct a site visit. If the completed project complies with all approved plans and any conditions of approval, the Kalispel Development Company will issue a certificate of occupancy to the applicant. Occupancy is not permitted until the certificate of occupancy is issued.

33-2.05 PERMIT APPEALS

Tier I determinations may be appealed by the project proponent to the KDRB. Tier II determinations

may be appealed to the Tribal Business Committee; decisions made by the Tribal Business Committee are final and cannot be appealed. These appeals are limited to the decisions made as part of the proceedings for Tier I or Tier II consideration of an application and not the specific requirements of this Code. Tier III determinations are final and cannot be appealed.

33-2.06 EXCEPTIONS TO PERMIT PROCEDURES

Exceptions to the permit procedures in Section 33-2 may be granted by the Kalispel Business Committee (or its designee) upon a showing that the project shall safeguard and preserve the health, safety, and general welfare of the Tribe, its people, the Reservation, and the surrounding community.

 - (E) The date by which the violation must be corrected.
 - (F) One or both of the following:
 - (i) A statement of the penalties imposed for failure to correct the violation by the specified date. The penalties may be monetary penalties, the revocation of a permit or certificate of

occupancy, or both. The date upon which penalties begin to accrue will be clearly stated on the order.

(ii) If remediation is required and is not completed by the specified date, a statement regarding the Tribe's right to remediate and require reimbursement from the individual or entity to whom the violation is directed.

The cost of remediation shall be separate from monetary penalties.

33-3.05 REVOCATION OF PERMIT OR CERTIFICATE OF OCCUPANCY

Revocation of a permit or certificate of occupancy may be ordered by the Tribe for violations of this Code.

Grounds for revocation of a land use permit or certificate of occupancy shall be limited to violations of the terms and conditions of the permit, and/or violation of provisions of this Code, regarding the subject matter for which the permit is issued.

33-3.06 OTHER REMEDIES

The Tribe may seek enforcement of any and all parts of this Code by court actions seeking injunctions, restraining orders, or other lawful action as is necessary to prevent or remedy any violation.

The written decision shall be mailed to the appellant and Enforcement Officer by certified mail, return receipt requested.

33-3.08 APPEALS TO THE TRIBAL COURT

- (1) Any decision made by the KDRB should be considered a final and conclusive decision, unless a party with standing appeals the decision to the Kalispel Tribal Court.
- (2) Appeals from a KDRB final decision shall be heard by the Kalispel Tribal Court under the laws of the Kalispel Tribe. A party must file a written notice of appeal within 30 calendar days of the KDRB

ruling.

- (5) The Tribal Court may not award damages separate from those identified in this Section (Section 33-3), including but not limited to attorneys fees.

SECTION 33-4: BUILDING CODES

33-4.01 BUILDING CODE AND RELATED PLANS

The Tribe adopts and incorporates by reference the following building codes and standards (as amended from time to time) as if set out in full as a part of the Land Use and Development Code. All new construction and development located on the Kalispel Indian Reservation shall be designed and built consistent with the version of the following Building Codes and Plans which are in effect as of the date a permit application is filed with the Kalispel Development Company.

Determination of the adherence to and consistency with these codes of any given project or development is the sole right and responsibility of the Tribe. The Tribe reserves the right to waive or exempt projects from building codes and standards pursuant to Section 33-2.07 of this Chapter.

- (1) The International Building Code, Standards, and amendments adopted by the State of Washington and referenced within Washington Administrative Code (WAC) 51-50, together with Appendix J, the Washington State Building Code Council amendments, and the applicable references to the National Fire Protection Association (NFPA) and all adopted amendments thereof.
- (2) The International Residential Code, Standards and amendments, as adopted by the State of Washington and referenced within WAC 51-51.
- (3) The International Mechanical Code, Standards and amendments, as adopted by the State of Washington and referenced within WAC 51-52.
- (4) The International Fire Code, Standards and amendments, as adopted by the State of Washington and referenced within WAC 51-54A.
- (5) The International Plumbing Code, Standards and amendments, as adopted by the State of Washington and referenced within WAC 51-56.

- (6) The Kalispel Tribe Comprehensive Plan.
- (7) Any applicable Kalispel Tribe sub-area Master Plans
- (8) Other federally mandated standards and regulations that are required by the Tribe.

SECTION 33-5: PERFORMANCE ZONING

33-5.01: DESCRIPTION AND INTENT

A Site Plan shall be required for all construction and development permits which shall illustrate compliance with the Performance Measures of this section. Review and approval of a Site Plan shall be the sole authority of the Tribe. Through the application of performance zoning, the Tribe hopes to encourage development that embraces the Tribe's vision, is compatible with the existing built environment, promotes any master plans for the area, and is culturally and architecturally appropriate. The Tribe encourages different uses to co-locate within an area as long as the development meets the Tribe's land use goals. The Tribe encourages compatibility, multi-modal transportation, open space, superior design and other standards that result in sustainable development.

33-5.02: PERFORMANCE MEASURES

- (1) Compatibility with Adopted Master Plan(s). Proposed uses, site designs, circulation, and other characteristics shall be consistent with the area's master plan. Deviations from the master plan may be deemed acceptable as long as the proposed deviations do not undermine or circumvent the overall vision and stability of the master plan.
- (2) Site Plan Integration. Development of diverse, walkable, compact, vibrant, mixed-use spaces assembled in an integrated and sustainable manner is highly encouraged. This development approach results in thriving communities that provide diverse housing, work places, shops, entertainment, open space, and civic facilities essential to the daily lives of the residents and visitors, all an easy commute of each other.
- (3) Design. All new construction shall incorporate appropriate uses, site designs, architectural standards and other defining characteristics that complement and enhance the existing developments located within the overall property. To facilitate a better understanding of the Tribe's architectural design expectations, please refer to the Tribe's Design Guidebook. This Guidebook is available for review at the offices of KTEA.
- (4) Transportation Systems. New development should allow for multiple modes of transportation on site with access to surrounding infrastructure, accounting for pedestrian, bicycle, vehicular and public

transportation. The use of wide sidewalks, designated pedestrian/bicycle paths and facilities throughout the site, well-lit public areas, and limited conflict between vehicles and pedestrians/bicyclists is highly encouraged. Developments should allow for current and future connectivity through construction of such facilities as part of the development of their project. Connectivity should encourage vehicular, pedestrian, and bicycle modes and should follow the general connectivity described within the overall master plan if applicable. Secondary access should be provided whenever possible and feasible to allow access for emergency services.

- (5) Sustainability. All new development shall be developed in a sustainable manner. Sustainable measures may include building construction methods (e.g., LEED certification), site design methods (e.g., indigenous landscaping, use of pervious landscapes), and uses that promote sustained economies, environmental protection and social benefits.
- (6) Cultural Appropriateness. The Kalispel Tribe has a strong connection to its culture and heritage. To help promote this identity, all new development should incorporate measures that complement this heritage. Design standards including materials, colors, landscaping, lighting, use of water features and other artistic measures should all be an integral component of development.

SECTION 33-6: AVIATION OVERLAY

33-6.01 PURPOSE AND INTENT

The Tribe establishes this chapter to accommodate special circumstances that occur within the vicinity of airports and to discourage incompatible uses near Fairchild Air Force Base (“Fairchild AFB”). The following standards and requirements have been formulated consistent with the goals, policies, and traditions of the Kalispel Tribe and informed by and based on the recommendations presented in the Fairchild AFB 2010 Joint Land Use Study. Fairchild AFB has identified aviation operational characteristics that are unique and necessitate a modified approach to the regulation of nearby land uses, including those developed by or for the Kalispel Tribe.

33-6.02 APPLICABILITY

The following standards apply to land within the Kalispel Indian Reservation declared by the Tribe to be within an “Airport Overlay Zone” (see **Figure 1**). The Airport Overlay Zone serves as an overlay district that applies additional standards and requirements to properties located within any and all underlying zoning designations or standards.

- (1) **Conflicts**. Where any conflict may exist between the standards of the overlay zone or the underlying

zone, the most restrictive requirement applies.

- (2) Approval. Final approval of any permit within the Airport Overlay Zone shall include a determination by the approving body (see Section 33-1.05 above) that the proposed use will not result in negative impacts to Fairchild AFB and that the proposed project meets or exceeds the standards presented in this Chapter.

33-6.03 ACCIDENT POTENTIAL ZONES (APZs)

- (1) APZs are described by the Fairchild Air Installation Compatible Use Zone Study (AICUZ) for the purpose of restricting land uses which may be hazardous to the operational safety of Fairchild AFB aircraft or, conversely, may threaten the safety of the occupants on underlying land uses. Three APZs are established by the AICUZ, as follows:
 - (A) Clear Zone. The Clear Zone at each end of the Fairchild AFB runway extends 1,500 feet on each side of the runway centerline (for a total of 3,000 feet) for a length of 3,000 feet outward from the runway threshold. The Clear Zone does not occur on the Kalispel Indian Reservation.
 - (B) Accident Potential Zone I (APZ I). APZ I is 3,000 feet wide, centered on the extended centerline of the runway and extending from the outermost edge of the clear zone for a length of 5,000 feet. APZ I does not occur on the Kalispel Indian Reservation.
 - (C) Accident Potential Zone II (APZ II). APZ II is 3,000 feet wide, centered on the extended centerline of the runway and extends from the outermost edge of APZ I for a length of 7,000 feet. APZ II does not occur on the Kalispel Indian Reservation.
- (2) Land Use Restrictions in APZs. At the time of enactment of this Chapter, the Tribe holds no lands located within the APZs. Therefore, no special restrictions upon land uses as a result of APZs or their influence is required.

33-6.04 HEIGHT RESTRICTIONS

- (1) General. The Department of Defense Unified Facilities Criteria (UFC) 3-260-01, as may be amended from time to time, is hereby adopted and incorporated by reference as if set out in full herein as the law of the Tribe. Structures may not be constructed, altered, or maintained which would penetrate military airspace nor may vegetation be allowed to grow into or project into military airspace established by the UFC 3-260-01. As part of any approval by the KDRB or Tribal Business Committee, it shall be shown that no proposed structure would violate this airspace and, if required, conditions of approval shall be applied to require maintenance of vegetation to prevent its growth

into this airspace.

(2) Imaginary Surfaces. Federal Aviation Regulations (FAR) Part 77 and the standards of United Facilities Criteria 3-260-01, as may be amended from time to time, is hereby adopted and incorporated by reference as if set out in full herein as the law of the Tribe. No structure or vegetation shall be constructed or allowed to grow above the height requirements established by FAR Part 77 and known generally as “Imaginary Surfaces,” for either Fairchild AFB.

(3) Exceptions

(A) General Exception. An exception to height restrictions of this section may be granted to a proposal for improvements that would exceed the Part 77 imaginary surfaces only if an applicant provides to the Tribe the following:

- (i) An indication in writing from Fairchild AFB that the proposed improvement will not adversely affect current or future military operations; AND
- (ii) Written proof that the applicant has complied with the Federal Aviation Administration (FAA) Form 7460-1 review process (Notice of Proposed Construction or Alteration), including documentation from the FAA that the review process is complete and that the FAA has no objections to the proposed development.

(B) Aviation and/or Navigation Exception. An exception to the height restrictions of this section may be granted if either of the following criteria is met:

- (i) The improvement is an air navigation facility, airport visual approach or landing aid, or meteorological device of a type approved by the FAA.
- (ii) The improvement is a military service and support improvement, with a fixed location and height which are necessary and incidental to base operations as certified in writing by Fairchild AFB.

33-6.05 MILITARY INFLUENCE AREAS

Military Influence Areas (MIA) are hereby established by the Tribe as integral components of the Airport Overlay Zone. Kalispel Reservation lands within MIAs is subject to the regulations specified in this section as well as any other regulations adopted by the Tribe for the land, as described in this Code. For those properties which underlie more than one MIA, only that portion of the property that underlies a given MIA shall be subject to the special requirements of that area.

- (1) Established MIAs. The following MIAs are established by this Code, described generally herein and depicted on **Figure 1** of this Code.
- (A) MIA 1. MIA 1 encompasses the entirety of Spokane County and indicates areas within which actions by the County and/or Cities and towns may have some impact on Fairchild AFB. No special regulations or requirements are established within this area.
 - (B) MIA 2. MIA 2 encompasses an area within 5 miles of the Fairchild AFB runway and indicates the area over which military flights are common. Land use decisions within this area include coordination with the Joint Land Use Study (JLUS) Commission (see Section 33-6.06(2) below). The Kalispel Tribe participates in the JLUS Commission on a regular basis.
 - (C) MIA 3. MIA 3 is an area wherein land uses and development densities may begin to have the potential to adversely impact Fairchild AFB operations. This MIA applies land use restrictions and use densities to protect the health, safety, and welfare of the general public and assure that uses will not conflict with Fairchild AFB operations and prevent concentrations of people in harm's way. The shape of MIA 3 corresponds to the 65-70 Ldn noise contour of Fairchild AFB, which is itself based on an evaluation of military aircraft over flight patterns using Scenario 3 of the Fairchild AFB Joint Land Use Study.
 - (D) MIA 4. MIA 4 is similar in nature to MIA 3; however it corresponds with the 70 Ldn and greater noise contour of Fairchild AFB. As such, more restrictive requirements apply within the MIA 4 area, as described below. The shape of MIA 4 corresponds to the 70 Ldn noise contour of Fairchild AFB, which is itself based on an evaluation of military aircraft over flight patterns using Scenario 3 of the Fairchild AFB Joint Land Use Study.
- (2) Compatible Uses and Density. This section specifies uses and densities allowed within the MIAs as illustrated in **Figure 1**. For the purposes of this subsection, net density shall be calculated by dividing the building code occupancy of all structures on Reservation land within the MIAs by the acreage of Reservation land within the MIAs, not including property that has been dedicated as right-of-way. The use and density restrictions are as follows:
- (A) Residential. Residential uses are permitted within MIA 3 provided that the remaining requirements of this section are met, including noise attenuation and occupant notification. Residential uses are not permitted within MIA 4.
 - (B) High-Intensity Non-Residential Uses. High-intensity uses are permitted within MIA 3 and MIA 4

provided that they do not exceed 180 persons per net acre. Examples of high-intensity uses may include religious institutions, theaters, auditoriums, arenas, concert halls, amphitheaters, meeting halls, gymnasiums, skating rinks, bowling alleys, arcades, community centers, universities and colleges, museums, public libraries, funeral homes, outdoor spectator sports, racetracks and speedways, amusement parks, water feature parks and facilities, campgrounds, fairgrounds, circuses, carnivals, eating and drinking establishments, farmers markets, retail sales and services, shopping centers, hotels, motels, auction events, offices, businesses with a large number of employees, bus and rail passenger terminals, and mass shelters.

(i) Notwithstanding any other provision in this section, non-aviation related museums, libraries, racetracks, hotels, motels, resorts, group camps, non-aviation related colleges and universities, participant sports and recreation, amusement parks, recreational vehicle parks, entertainment uses, cultural facilities, public assembly facilities (concert halls, theaters, stadiums, amphitheaters, arenas, community centers, churches, and similar facilities) are not permitted within MIA 3 or MIA 4.

(C) Low-Intensity Non-Residential Uses. Low-intensity non-residential uses are permitted within MIA 3 and MIA 4 provided that they do not exceed 180 persons per net acre. Examples of low-intensity non-residential uses include agricultural uses (that do not attract wildlife that may be hazardous to aircraft operations); kennels; animal clinics; sales of motorcycles, automobiles, trucks, marine craft, manufactured homes, and recreation vehicles; commercial parking; quick vehicle service; maintenance and repair shops; towing services; taxicab terminals; wholesale sales; ministorage; warehouses; non-labor intensive manufacturing; printing and publishing; cemeteries; trails; rail lines; roads; and underground utilities.

(D) Critical Community Infrastructure. Critical community infrastructure includes facilities whereby damage or destruction of which would cause significant adverse effects to public health and welfare within or beyond the immediate vicinity of the facility. Examples include police stations, fire stations, emergency communication facilities, power plants, and wastewater treatment facilities. Critical community infrastructure is permitted within the MIA 3 and MIA 4.

(E) Hazardous Uses. Hazardous uses are those that release discharge into the air such as smoke, steam, or particulates that may impair pilot visibility, uses that require the storage of large quantities of hazardous materials that have the potential to exacerbate an aircraft accident, or uses that attract wildlife hazardous to aircraft operations. Hazardous uses are permitted within

MIA 3 and MIA 4, provided the consultation requirement of this Chapter is adhered to (Section 33-6.06(2) below).

- (3) **Noise Attenuation.** For any new structures constructed within MIA 3 or MIA 4, the project proponent shall provide documentation and construction standards that would ensure that interior noise levels will not likely exceed 45 dB.

(A) Exemptions. The following uses are exempt from this requirement:

- (i) Industrial uses; and
- (ii) Storage, basements, corporate yards, infrastructure, and/or utility uses that are not generally occupied for long periods of time.

If a portion of an exempt use will be occupied for lengthy periods of time in a given day, such as offices incorporated into industrial land uses, the reduction standard for new structures shall apply for those areas only.

- (B) The building permit application for a structure subject to this Section shall include such additional information as deemed necessary specifying noise reduction features and materials necessary to achieve the required noise reduction. Information regarding noise reduction features and materials shall be prepared and certified by a Washington State registered engineer, architect, or acoustical expert recognized by an acoustical design-related association.

- (C) Upon completion of construction and prior to issuance of a certificate of occupancy, the project proponent's inspector shall submit to the Tribe a signed certification specifying that the required noise reduction features and materials have been completed/installed in substantial conformance with the approved construction documents

- (4) **Reconstruction, Remodeling, or Additions.** The noise reduction required of new structures shall apply to reconstruction, remodeling, or additions to existing structures when the value of the improvements equals or exceeds 50 percent of the value of the existing structure as specified by the Spokane County Assessor or other Tribe approved source. This does not apply to structures that have been damaged by misfortune or act of God and which will be repaired or rebuilt similar to the original condition.

- (5) **Occupant Notification.** For any land use constructed or substantially updated within the MIA 3 or 4 which will be leased or rented to entities other than the Tribe, notice shall be provided in writing by the Tribe to the lessee that they are located within an area of known military aircraft operations

and that these operations are outside the Tribe's control or influence. The notice must include the following statements:

"This property is located in close proximity to Fairchild Air Force Base and is routinely subject to aircraft overflight activity. Occupants may experience inconvenience, annoyance, or discomfort from noise, smell, or other effects of military aircraft operations."

- (6) Prior to issuance or renewal of a Certificate of Occupancy, recipients of such notice shall furnish to the Tribe a written and signed statement that they understand the status and proximity of the Base and that they waive any opportunity to complain about aircraft noise or other related impacts and hold the Tribe and Fairchild AFB harmless from related impacts.
- (A) Sublease. For those properties leased by the Tribe and then sub-let to occupants, the same notice required above shall be furnished by the lessee to each sub-lessee/tenant and written proof of submittal of the notice shall be held by the lessee for the life of the sub-lease. Written evidence shall be provided to the Tribe upon request.

33-6.06 IMPACTS TO AIRCRAFT OPERATIONS

- (1) It is the intent of the Tribe to minimize or eliminate the following impacts to aircraft from development or improvement of properties within the Airport Overlay Zone:
- (A) Interference with the operations of radio communications or electronic facilities at Fairchild AFB or between Fairchild AFB and airborne aircraft;
 - (B) Improvements that make it difficult for pilots to distinguish between airport lights and other lights;
 - (C) The creation of glare which could impair pilot vision;
 - (D) Improvements that impair pilot visibility in the vicinity of Fairchild AFB;
 - (E) Any use that endangers the landing, takeoff, or maneuvering of aircraft;
 - (F) Creation of a bird attractant that could interfere with aircraft operations (including the construction of large areas of standing water); and
 - (G) The creation of a fire accelerant or secondary explosion hazard in the unlikely event of an aircraft accident or incident.
- (2) Courtesy Consultation with Fairchild AFB

- (A) Prior to approving a building permit for any uses within the Airport Overlay Zone, the Tribe shall ask Fairchild AFB to comment on the proposed improvements to ensure that any concerns regarding the following are addressed:
- (i) Light and glare effects to aircraft;
 - (ii) Height restrictions and/or completion of the FAA Form 7460-1 process;
 - (iii) Bird strike potential;
 - (iv) Sight obscuring emissions; or
 - (v) Other reasonable conditions or impacts that could affect military operations or aircraft safety.
- (B) The Tribe shall request that Fairchild AFB reply with any concerns in writing within 15 calendar days of submitting the request. Extensions to this time may be granted by the Tribe as warranted. If Fairchild AFB does not comment or request an extension to comment, the Tribe will assume it has no concerns or objections regarding the project.
- (C) Following consultation with Fairchild AFB, the Tribe shall apply any conditions it deems necessary to address the concerns of Fairchild AFB while upholding the Tribe's vision and mission as well as the Tribal Code.

CHAPTER 34 -RESERVED

CHAPTER 35 - SOVEREIGN IMMUNITY

SECTION 35-1: GENERAL PROVISIONS

35-1.01 PURPOSE

The Kalispel Tribe has a compelling interest in protecting the Tribe's integrity as a sovereign nation. The assertion of the Tribe's sovereign immunity is an exercise of the Tribe's inherent authority as a sovereign nation. Therefore, the purpose of this Chapter is to acknowledge and preserve the Tribe's sovereign immunity, and to recognize the conditions under which the Tribe may exercise its authority to waive its sovereign immunity.

35-1.02 DEFINITIONS

- (1) "Officer," as used in this Chapter, includes members of the Kalispel Business Committee and senior management of the Tribe and its agencies, arms, entities, or enterprises.
- (2) "Reservation" means all the lands owned by Kalispel Tribe of Indians as defined in KLOC 1-2.03.
- (3) "Sovereign Immunity" or "Immunity," as used in this Chapter, means that lawsuits or other actions against the Tribe and/or its agencies, arms, entities, enterprises, employees and officers are prohibited, unless the Tribe or Congress has expressly waived its immunity.
- (4) "Tribe" means the Kalispel Tribe of Indians.

35-1.03 SOVEREIGN IMMUNITY OF THE TRIBE

The Kalispel Tribe of Indians and its Tribal agencies, arms, entities, and enterprises are immune from suit for any acts or omissions both within and without the Kalispel Reservation, except as provided for in the Kalispel Law and Order Code (KLOC), by Resolution duly passed, or otherwise approved by the Kalispel Business Committee.

35-1.04 SOVEREIGN IMMUNITY OF TRIBAL OFFICERS AND EMPLOYEES

All Kalispel Tribal officers and employees, including employees of Tribal agencies, arms, entities, and enterprises, within the scope of their duties, are immune from suit for any acts or omissions both within and without the Kalispel Reservation, except as provided for in the KLOC, by Resolution duly passed, or otherwise approved by the Kalispel Business Committee.

35-1.05 SEVERABILITY

Should any word, section, clause, paragraph, sentence, or provision of this Chapter be declared invalid by a court of competent jurisdiction, such decision shall not affect the validity of any part of this Chapter which can be given effect without the invalid part or parts.

SECTION 35-2: WAIVER OF SOVEREIGN IMMUNITY

35-2.01 WAIVING SOVEREIGN IMMUNITY

All waivers of sovereign immunity shall be explicit and in writing, and fully comply with all Tribal and Federal law requirements for the waiver of such immunity. Immunity from suit or action may only be waived by the Kalispel Business Committee. The Kalispel Business Committee, as the governing body for the Kalispel Tribe, has the authority to delegate the power to waive sovereign immunity to a specifically identified Tribal officer, employee, or position. This delegation shall be limited only to the waiver of immunity under a specific circumstance, purpose, or situation, and shall not include a general waiver of the immunity of the Tribe or of other Tribal agencies, arms, entities, enterprises, officers and employees.

35-2.02 EXISTING WAIVERS OF IMMUNITY

Nothing contained in this Chapter shall have the effect of invalidating an otherwise valid waiver executed by the Tribe or Tribal entities in accordance with existing law at the time of enactment.

35-2.03 NO GENERAL WAIVER

Nothing contained in this Chapter shall be construed as a general waiver of the sovereign immunity of the Tribe or the Tribe's entities or political subdivisions.
